

BEAR CREEK MINE,
~~WHEELER~~ COUNTY
OREGON.

Jefferson County

Located 18 miles southwest of Mitchell and about 6 miles from Highway #28. Consists of a short tunnel--60 feet long--to the ore shoot and winze. Equipped with rotary retort. Produced 2 bottles of quicksilver. Charles Carroll of John Day and Norman Meisner of Mitchell own it. It was discovered in 1934 and is operating now. Glenn Stevenson discovered it. Property not visited.

Sec. 20, T12S, R1E
