Lease Thompson Mine at Galice

GALICE—(FW)—Guy Thompson left on Tuesday, September 24, for Abilene, Texas. He has lived in Galice for the past seven years on his property located up Galice creek one mile from Galice. Mr. Thompson leased his property and placer mine to Mr. Robert Alden and his partner Roland Harland for a period of five years. Mr. and Mrs. Alden and Mr. Harland have been living in Galice for the past three years in one of Harry Sordy's houses near the store. Alden and Harland are making preparations to work the placer ground on Thompson's property this winter.
