HIDDEN TREASURE CLAIMS

Also known as Ten Spot.

- Owner: Josephine County Court, Grants Pass, Oregon. (Reverted to County for taxes.) This property is now reported to be owned by N. A. Peterson, Bend, Oregon, 1940.
- Location: Three miles southeast of Grants Pass on the north side of Baldy Mountain in NE $\frac{1}{4}$ sec. 27, T.36S., R.5 E., Elevation 1900 feet.
- Area: 3 patented mining claims containing 61.98 acres.
- History: No work has been done on the property for years. Workings are all caved.
"The Ten Spot Claim, 5 miles southeast of Grants Pass, is near the north side of sec. 27, T.36 S., R. 5W., on Baldy Mountain. It is owned by G. E. Everson and R. E. McDaniels, of Creswell, Oregon. The country rock is decomposed or "rotten" tonalite, locally called granite. The vein is not now exposed, but is said to be a small quartz vein which has been prospected by surface pits and a shaft 30 feet deep all in "rotten granite". The vein seems to strike N. 58° E. A crosscut adit is being driven by contract; it extends 140 feet s. 40° E. in "rotten granite", so soft as to be dug with pick and shovel and to require careful lagging to hold the ground. The vein has not yet been reached by the crosscut."
