

GOFF MINE (Placer)

Greenback area

Owner: Lewis Investment Company, Portland, Oregon. Contractors are T. J. Clark, Leland, Oregon.

Location: NW $\frac{1}{4}$ sec. 5, T. 34 S., R. 6 W.

Area: 160 acres deeded land.

History: Known as the Goff mine for over 60 years. 15 acres has been mined.

Equipment: One No. 1 giant; 450 feet of 8 inch pipe; over 200 feet of head; at present prospecting work. During winter of 1939-1940, water was pumped from Flume Gulch ditch, lifted 30 feet and pumped to 40 lbs. pressure. Pump is a Fairbanks-Morse high pressure 2 $\frac{1}{2}$ inch pump with a 28 h.p. Chev. motor. Operating time is about 2 months during the spring of each year.

Geology: Porphyry bedrock, quite soft. Not many boulders. Gold is all fine in size.

Informant: T. J. Clark, 4/4/40
