Dear Mr. Nixon: Re: Elkhorn Placer Mines, Inc.
 See Inquiry of P.S.Jensen, Feb. 24th.

After sometime I was able to locate Mr. E. E. Young
owner of the Elkhorn Placer Mines, and he gave me the
information for the inclosed report.

Mr. R. T. Davison and his group no longer have the
property as Mr. Young went to court and recovered the
property last October. Mr. Davison is now at the Tinpan
Mine on Palmer Creek in the Upper Applegate District,
Jackson County. However, mail will reach him by address-
ing it to the Palace Hotel at Grants Pass.

Will you please give the inclosed report to Mr.
Swartley when you have finished with it?

With kindest personal regards, I am

Sincerely yours,

J. E. Morrison, Mining Geologist.

Dear Sir:

With reference to your inquiry about the Elkhorn Placer Mine, our engineer, Mr. Jewel Morrison, has obtained and furnished to me the following information.

Mr. Morrison was able to locate Mr. E. E. Young, owner of the Elkhorn Placer Mines. Mr. R. T. Davison and his group no longer have the property as Mr. Young went to court and recovered the property last October. Mr. Davison is now at the Tinpan Mine in the Upper Applegate district of Jackson County, and Morrison reports that mail will reach him in care of the Palace Hotel in Grants Pass. Otherwise, he would be apt to get mail at the little postoffice of Ruch, Oregon.

Under the circumstances I do not know whether you are further interested in this property. If so, I will give you further details as to the nature of the property itself.

Very truly yours,

EKN:vm

Dear Sir:

In further reply to your letter of February 24th in regard to the Elkhorn Placer Mine, Inc., we have just received the following information from the State Corporation Commissioner:

"Elk Horn Placer Mine, Inc., an Oregon corporation which filed articles August 5, 1935, was dissolved by proclamation of the Governor, December 31, 1938, for non-payment of fees. According to an Information Blank filed August 26, 1935, the following were officers:

"Hugh Swarts, President, 1130 Broadway, Seattle, Wn.,
Jack Sims, Vice-President, 400 Pine St., Seattle, Wn.,
R. T. Davison, Secretary-Treasurer, Grants Pass, Oregon.

"The principal office was at Grants Pass.

"It had an authorized capitalization of \$50,000 Common Stock, consisting of 500,000 shares of the par value of \$.10. The Information Blank above mentioned sets forth that the entire amount of stock authorized had been subscribed."

If I receive further information from our engineer in Grants Pass, I shall advise you.

Very truly yours,

Dear Sir:

In 1935 I purchased some shares of Elkhorn Placer Mines Inc. The individual with whom I dealt passed on about a year ago and I have since been unable to secure any information regarding this mine.

It is my understanding that it was incorporated under the laws of the State of Oregon and that it is located near Grants Pass. Mr. R. T. Davison, who was secretary and treasurer of the corporation in 1935, could at that time be reached by mail at the Palace Hotel, Grants Pass, but letters now sent to that address are returned unclaimed.

It has occurred to me that you may be in a position to report on this property and advise me who the present officers are. I shall sincerely appreciate receiving any information you can give me.

Yours very truly,
