Report mailed 3-3-67

(of Crescent City, Calif.)

Les and Maxine Horn/were in the office on Tuesday,
November 21, 1972 regarding the Gold Bar placer mine.

They had received a notice from the Forest Service ~~XXX~~
that there was not sufficient mineralization there to
warrant a mining claim. The Horns have had this
claim for about 5 years.

They had an assay (ABG-24) of 2-14-67 by Raymond E.
Brown, which showed 1.52 oz./ton Au, Trace, Silver,
Trace, Platinum and trace, Mercury.

This placer is located in the Illinois River District of
Josephine County. (not Agness area as I had given them
~~XX~~ a copy of that Gold Bar mine file).
