Dear Dr. Dole:

Your letter of March 7, 1967, with Len Ramp's letter of March 3 attached, was received today.

We are very appreciative of the time spent by you people and feel that you have done an excellent job of evaluating the problem. We will not make our decision as to our acceptance of the offer for minerals until after we receive the results of the analyzed samples.

Very truly yours,

**Wayne Parris
Assistant Vice President**
