
PHOENIX, ARIZONA, JUNE 23, 1943

Oregon

Development work is being carried on by Lester R. Briggs, Route 2, Box 520, Grants Pass, Oregon, in his **Empire** mine near Grants Pass. Ore values are in cinnabar and gold. About 200 tons of development ore have been put in the bin awaiting the start of production. Next fall Briggs plans to drive a new tunnel into the property. Three men are employed.
