

Status of Placer Operations for 1947-48 Season

Waldo Mining District

Josephine County

El Rio Dredging Co.

F. C. Stillwell	On Illinois River	Dragline & dryland
Walter G. Bergeron	above Takilma.	(?) washing plant. The
Frederick Reel	Sec. 34, T40S.,	washing plant has only
	R8W.	been partially assembled
		but it appears to be one
		of the smaller types.
		Information on the operation
		is sketchy as no one was
		present in two visits to
		the site.

Reported by Harold D. Wolfe
December 1, 1947

Started (6-1948) dragline operations.
