REQUEST FOR SAMPLE INFORMATION

The State law governing free analysis of samples sent to State Assay Laboratories requires that certain information be furnished the laboratory regarding samples sent for assay or identification. A copy of the law will be found on the back of this blank. Please fill in the information requested completely, and submit it along with your sample. Keep a copy of the information on each sample for your own reference.

Len Ramp
P.O. Box 417
Grants Pass, Ore. 97526

Please print your name and address in space above

Date sample is sent:

August 2, 1976

Name of claim sampled:

?

Name of property owners Marvin Ramsey

Are you hiring labor? _____ Are you milling or shipping ore? _____

Location of property or source of sample. (If legal description is not known, give location with reference to known geographical point.)

County Josephine Mining district _____

Township 41 S Range 7 W Section 16 Quarter section NE NE NE

How far from passable road and name of road 1/4 mile from Ramsey Mine Road

Channel (length) Grab Assay for Description

Sample No. 1 X Au, Ag Gossan

Sample No. 2 _____

(Samples for assay should be at least 1 lb. in weight; clay samples for ceramic testing at least 5 lbs.) IMPORTANT: A vein sample should be taken in an even channel across the vein from wall to wall. Location of sample in the workings, together with the width measured, should be recorded.
