

NOONDAY MINE

BOHEMIA DIST.

LANE COUNTY

According to reports, the Silver Shield Mining and Milling Company of Salt Lake City, Utah, has acquired the Noonday or Anne mine in the Bohemia district near Disston, Oregon. ~~The company was active for a short while in late 1943 and early 1944 on the Antler property in Arizona.~~ Kenneth Watkins, who formerly operated the Noonday property, has returned from Arizona, where he was superintendent for the Silver Shield company, and now is in charge of operations at the Noonday. A test shipment of gold ore was made recently to Salt Lake City, Utah. The mine has a ~~good~~ production record and was operated before ~~the war~~ by the H. and H. Mines.
