Peak and Dwarf Claims (Gold Quartz)

Owner: John H. Peterson, Turner Oregon.

Location: 3 miles north of Quartzville by trail. Quartzville is 32 miles via U. S. F. S. road northeast of Foster. 1/2 mile N.E. of Silver Signal Mine.

Area: Two claims, 40 acres, held by location.

History: Discovered and located in fall of 1937.

General Information: Elevation 4,000 ft. Maximum 15 ft. snow. Steep mountainous topography. Plenty timber. Water will have to be developed. No equipment.

Geology: Quartz vein in altered Tuff. Strike N. 45° W.

Development: Location work and four other shallow cuts.

Informant: J. E. Morrison.

Confidential: The vein was only a seam at time of my visit, hence no assays.
