Gentlemen: Attention A. M. Swartley

ISIS OIL AND GAS CO. has been out of existence for more than twenty years. It filed articles on April 15, 1910, with an authorized capitalization of \$500,000. It held a permit for the sale of its stock between March 27, 1913, and January 13, 1916. It was dissolved by proclamation of the Governor on January 16, 1917, for failure to pay its annual license fees. It filed an application to sell stock, and in that application the following are listed as officers as of March 1, 1914:

- President - R. E. Morrell, 82 Fifth Street,
- Secretary - John B. Hibbard, 495 E. 35th St.,
- Treasurer - O. Rudig, Portland
- Director & Attorney, Miller Murdock, Portland,
(now deceased, and
- Director - Al Fisher, Portland.

At that time about all the corporation owned was approximately 1280 acres of land in Malheur County which it had filed upon as oil lands. It was apparently selling its stock at 25¢ on the dollar. Very little other information is contained in our files.

Very truly yours,

J. H. Hazlett
