## RECEIVER SOUGHT FOR MINING FIRM

### Edward Seufert Files Suit Against Company

Petition for appointment of a receiver for the Amalgamated Mining corporation, Columbia Mines Development company and Amcol Mining & Milling company is sought in a complaint filed in circuit court Monday by Edward Seufert against these concerns and J. P. Hewitt, executive officer.

Seufert alleges that between April 15, 1932, and April 15, 1937, he paid to Hewitt the sum of \$37,700 for use and benefit of the corporations but that no book records of the payments have been kept.

Seufert also alleges he paid an additional sum of \$14,768 into the concerns at Hewitt's request and no book records have been kept except for the sum of \$1400. He seeks return of all money he has paid to the concerns.
