FROM: Allen Throop
SUBJECT: DOGAMI's Adequacy Review of Plexus' Bornite Project Application

Attached is a draft of DOGAMI's response detailing the reasons for declaring the application inadequate.

You have already received the operating and reclamation plan. The responses are directly related to that document.

Please do not release this draft.

The reclamation specifications and the ARD proposal will be part of the response.

If you have any comments, or see additional inadequacies, please get them to me by February 29, 1993.
