WHITE EAGLE MINE

WALLOWA DISTRICT: Located up Hurricane Creek about 14 miles from Joseph, Ore. This property was formerly known as the Dr. Scott limestone claim and reported to be along the contact between marble and granite. Very little development has been done. Minerals are said to be molybdenum scheelite and some gold. There are said to be 17 claims in the group, 9 patented and 8 unpatented---recorded in enterprise. Owned by W. C. Sturgill of La Grande, Oregon, at present writing, October 18, 1937. **INVESTIGATE.**
