RE: Consolidated Permit Application (CPA) November 2025 version, Grassy Mountain Mine Project

The November version of the CPA was uploaded today to DOGAMI's file share system in a file called "CPA 20251124.zip." Per DOGAMI's request, this November version includes updated hyperlinks to various appendices due to document updates since the CPA's October 2023 approval.

Appendices listed below have been revised since the CPA October 2023 approval:

- B20. Wetland Delineation Report (MB&G, 2025)
- B23. Work Plans, Environmental Baseline Study (EM Strategies, 2017)
- C5. Well Field Design Report (SPF, 2019)
- C6. Calico – Grassy Mountain 34.5kV Line (HDR, 2025)
- D1. Reclamation Plan (Calico, 2025)
- D17. Noxious Weed Monitoring and Control Plan (Calico, 2024)
- D18. Spring and Seep Monitoring and Mitigation Plan (SLR, 2025)
- E4. Abbreviated Operating Permit Application – Grassy Mountain Closure Cover Borrow Areas Quarry

Additionally, the following appendices have been updated to include revised hyperlinks to the revised documents listed above:

- D11. Inventory of Project Monitoring Plans (Calico, 2023)
- D14. The Grassy Mountain Mine Project Revised Wildlife Protection Plan (MB&G, 2023)
- D15. Wildlife Mitigation Plan (MB&G, 2023)

Supplemental documents previously submitted to DOGAMI since the CPA's October 2023 approval are also included in this transmittal, as follows:

- *Supplement to Wildlife Mitigation Plan for the Grassy Mountain Mine Project* (MB&G, 2025)
- *Grassy Mountain Mine Project Wildfire Mitigation Plan* (SLR, 2024)
