

Instructions: Prepare and submit a "Final Report" on the first Workday after a Well has been plugged or well is Plugged, Abandoned, or Sold. "Final Report" should be submitted when operations are suspended for an indefinite or appreciable length of time. On workovers when an official test is not required, such a report on completion and reoperation test data in blocks provided. The "Final Report" form may be used for reporting the entire workover if operations are continuous.
