Use this form in reporting the <u>daily</u> operations at the well. (Operator may use his own forms, but heading of this form must also be completed and <u>submitted</u>.) Please submit a complete history of the well. Include such information as bit sizes, mud weights, casing sizes and depths set, amount of cement used, drilling depths, fishing, logging, perforating, and plugging procedures, and anything else pertinent to the operation. Do not include lithology.
