Surf. fm.: Coaledo.
Shows: Reported gas shows--not verified.
Logs: 0-1,365' in Conf. File (G&M).
Devel. Hist.: Leases of Coast Oil Co. assigned to R.F. Rhoades of Calif. Rhoades drilled well. Gas supposed to have blown tools out of hole. Abandoned due to finances. Rhoades then sold the leases to the Phillips Oil Co.
Structure: Westport Arch, as shown on USGS map of J.S. Diller, Coos Bay Quad.
Summary: Abandoned due to mechanical difficulties and lack of finances.
R.E. Stewart: Considerable coal in section drilled.
Ref: SOG field party 9-11-53.
