

Rules Advisory Committee Meeting

Data Security Breach Notification for Tax Professionals

The Oregon Department of Revenue will hold a Rules Advisory Committee (RAC) meeting. The RAC will help us develop an Oregon Administrative Rule about data security breach notification requirements for tax preparers, as required by HB 2128 (2021). This will be the second RAC meeting for this rule. The RAC is an important part of the rule adoption process and we want to ensure affected tax professionals provide input and suggestions during rule development.

During the meeting we will discuss potential rule language and how that language will impact tax professionals. The department will consider input from the RAC during final rule drafting. These meetings will be open to the public; you can listen to these meetings joining through Zoom.

Location: Virtual via Zoom

Date and Time: November 4, 2021 3 p.m. to 4 p.m.
