

Rule Advisory Committee Meeting

Sourcing receipts for broadcasting sales

The Oregon Department of Revenue (DOR) will be holding a Rule Advisory Committee (RAC) meeting on October 5, 2021. The RAC will help DOR determine the focus for an Oregon Administrative Rule about sourcing receipts for broadcasting sales for the Corporation Excise/Income Tax program in order to implement SB 136 (2021 Legislative Session). The RAC is an important part of the rule-adoption process and DOR wants to ensure affected taxpayers provide input during the consideration of a possible rule.

During the meeting, the RAC will discuss potential rule language and how that language would apply to the sourcing of receipts for broadcasting sales. The meeting will be open to the public who can listen to the virtual meeting through the Zoom link below.
