Instructions for Schedule OR-SLT-2

Instructions

List each property address separately, even if you have multiple properties with the same accommodation type. Attach additional pages if needed.

Example 1. Brooklyn owns 10 vacation homes at a resort in eastern Oregon. Brooklyn would include 10 entries, one entry for each property address.

For properties that include multiple accommodation types at the same address, list each accommodation type separately.

Example 2. Jenna operates a resort in eastern Oregon. The resort includes a lodge with 100 guest rooms and a campground with 50 sites. Jenna would include two entries: one entry for the lodge and one entry for the campground.

Accommodation type

Indicate accommodation type using the following abbreviations:

Abbreviation	Accommodation type
B	Bed and breakfast
C	Campground
H	Hotel
M	Motel
V	Vacation home
O	Other

You must provide a description for any properties listed as "other." Attach additional pages if needed.

Number of rooms/units

Enter the total number of units available for each property. Count one room/unit for each space that can be rented separately.

Example 3. Rachel owns a vacation home in Sunriver, which she rents to lodgers during the winter months. Rachel would report one unit.

Example 4. Spencer runs a hostel with 50 bunks in Zig Zag. Spencer would report 50 units.

Example 5. Isaac operates a bed and breakfast with four guest rooms in Ashland. Isaac would report four units.

Start date offering lodging

Enter the date on which you first began renting the property to lodgers.
