INSTRUCTIONS

General information

If you have purchased cigarettes over the Internet, by telephone, mail order, or any other source, you are responsible for paying the tax. If the distributor does not pay the tax, the consumer or user of the cigarettes must file a report and remit the tax due. **You must file a separate Form 514 for each month you made purchases.** The report is due on or before the 20th day of the month following receipt of the cigarettes for the preceding calendar month. If the 20th falls on a Saturday, Sunday, or legal holiday, the report is due the next business day. The report must show the number of cigarettes received by the consumer or user in the preceding calendar month. **The tax is \$0.0655 per cigarette**, which calculates to \$1.31 per package of 20.

What is the applicable law? This publication is not a complete statement of Oregon laws. For more information, refer to the laws and rules, Oregon Revised Statutes (ORS) 323.005 through 323.995.
