Instructions for Form 531 – Oregon Quarterly Tax Return for Tobacco Products (for non-licensed individual or business)

General information

If you purchased untaxed tobacco products, either over the Internet or from some other source, you are responsible for paying the tax. For every calendar quarter you purchase any untaxed tobacco products, you must file a return, including all schedules, by the last day of the month following each quarterly reporting period. Quarterly returns are due on or before the last day of January, April, July, and October. Payment of the tax must be made with the return.

Tobacco products do not include cigarettes. Untaxed cigarettes are reported on Form 514, Oregon Cigarette Consumer's Monthly Tax Report.

What is the applicable law? This publication is not a complete statement of Oregon laws. For more information, refer to the laws and rules, Oregon Revised Statutes (ORS) 323.500 through 323.995.

Oregon Tobacco Products Tax Rates

The tobacco products tax rate is 65 percent of the wholesale sales price on all tobacco products except moist snuff and cigars. The moist snuff rate is the greater of \$1.78 per ounce or \$2.14 per retail container. The cigar rate is the lower of 65 percent of the wholesale sales price or \$0.50 per single cigar.

What is moist snuff?

Moist snuff is taxed by weight. **Moist snuff definition A** includes any finely cut, ground, milled, or powdered tobacco product that is not intended to be smoked or placed in the nasal cavity.

Moist snuff definition B includes other products containing tobacco that are not intended to be consumed by burning. [See OAR 150-323.500(9) for examples.]
