

LTD Self-Employment Tax

These instructions are not a complete statement of laws and rules that apply to the Lane County Mass Transit District self-employment tax. For more information, visit www.oregon.gov/dor/business/transit.shtml.

New information

For 2011, this LTD return and tax is **due on or before April 17th, 2012**. The change is due to a Federal holiday. Partnerships with a fiscal year still must file on a calendar year basis.

LTD now has its own payment voucher. Please include LTD-V with your payment.

New tax rate. Beginning January 1, 2011, the tax rate has increased to 0.0067.

Important reminders

For tax years beginning on or after July 1, 2005:

Self-employment income is apportioned to Oregon using a 100 percent sales factor unless you meet one of these exceptions.

- A taxpayer primarily engaged in utilities or telecommunications may elect to use the double-weighted sales factor formula.

What is the LTD self-employment tax?

The Lane transit tax helps fund mass transportation in the Lane Transit District (LTD). This tax is applied to self-employment earnings of individuals doing business or providing services in the district. The Oregon Department of Revenue collects the tax for Lane transit.

A list of ZIP codes included in the district boundary is on page 4. For more information, call LTD at 541-682-6100, or access their website at www.ltd.org/businesscenter.html.

The tax rate is 0.0067 (0.6700 of 1 percent).

Who must file and pay this tax?

Individuals

Anyone who has self-employment earnings from business or service activities carried on in the Lane Transit District must pay this tax.

People who **must** pay the self-employment tax include:

- Self-employed individuals, sole proprietors, independent contractors, members of a partnership, and persons who have net self-employment earnings of greater than \$400 from doing business or providing services within LTD.

- **Real estate salespeople.** Federal laws generally treat real estate salespeople as self-employed. This includes those who provide services to real estate brokers under contract. This means that commissions on sales are subject to the LTD self-employment tax.

- **Fiscal year filers.** If you are a fiscal year filer and your tax year begins in 2011, you should file on a 2011 tax return.

Partnerships

Partnerships are not subject to LTD self-employment tax.

The individual self-employed members of the partnership are responsible for filing and paying the tax. But, a partnership may choose to file one transit self-employment tax return and pay the tax for all of its individual partners. See "Partnership election" instructions.

Exemptions

- **Ministers.** Compensation received by a minister or member of a religious order when performing religious services is not subject to this tax. However, compensation received for performing religious services as an independent contractor has been and remains subject to this tax.
- **Insurance agents.** Applies only to insurance related income. Non-insurance related self-employment activities are subject to this tax (ORS 731.840).
- **C and S corporation distributions** are not subject to this tax. However, **all employers** who pay wages for services performed in the district must pay a transit payroll tax. This includes corporation officers who receive compensation for services performed. For more information about payroll transit tax, call 503-945-8091.

Frequently asked questions

I have more than one business. How should I file my Lane transit return?

File one return. If you have separate business activities, attach a schedule that shows net earnings or losses for each business. Compute the Lane transit self-employment income separately for each business. See instructions for line 1.

Can I file a joint return?

No. Each taxpayer having self-employment earnings must file a separate Form LTD. That's true even if you and your spouse filed a joint federal income tax return. The only exception is a partnership filing for all partners. Both spouses could be members of the same partnership.

I'm getting a refund on my Oregon individual income tax return. Can I have that refund applied to this tax?

No. We can not apply any income tax refund to pay your LTD self-employment tax.

Can I file my transit self-employment tax return electronically?

No. File your transit return by mail. Make a copy for your records, and mail your return to the Oregon Department of Revenue address as printed at the bottom of the tax return.

Can I file an amended transit self-employment tax return?

Yes. File an amended transit return any time you need to correct your return as originally filed. Generally, you are allowed three years from the due date of the return or the date the return was filed, whichever is later, to file an amended return to claim a refund. Check the "This is an amended return" box on your transit return.

What if business is done both inside and outside of the district?

Use an apportionment formula by completing Form TSE-AP. Self-employment income is apportioned using a 100 percent sales factor unless you are a qualifying taxpayer in utilities or telecommunications. A taxpayer primarily engaged in utilities or telecommunications may elect to use the double-weighted sales factor formula.

What if I'm audited by the IRS?

If changes are made that affect your self-employment earnings, file an amended return to report and pay any additional tax due. If the change reduces your transit tax, you have two years from the date of the audit report to claim a refund.

See more FAQ's on our website at www.oregon.gov/dor/business/faq-transit_sep.shtml.

When to file

Your Lane transit return is generally due the same day as your federal and Oregon individual income tax returns. For most taxpayers, the 2011 due date is April 17, 2012. Fiscal year returns are due the 15th day of the fourth month after the end of the fiscal year. When the due date falls on a Saturday, Sunday, or legal holiday, the due date will be the next business day.

Extensions to file

If you received a federal extension or an extension to file your federal or Oregon individual income tax return, it will also extend your LTD self-employment tax return. Check the "An extension has been filed" box on your LTD Self-Employment Tax Return. Do not include your extension but retain with your records.

Extensions are for more time to file a tax return only. There are no extensions for paying tax. If you have an extension, you must make your payment by the original due date of the return to avoid a penalty and interest charge. Complete Form LTD-V and send it with your payment of tax. Form LTD-V is available on our website at www.oregon.gov/dor/business/forms-mass.shtml, or see "Taxpayer assistance." Be sure to use the same name and Social Security number (SSN) or federal employer identification number (FEIN) that you will use on your return when you file.

Be sure to file your *LTD Self-Employment Tax Return* within the extension period to avoid additional penalties.

Partnership election

A partnership may elect to file and pay the transit self-employment tax for the individual partners. The partnership **must** use net earnings from self-employment as reported on federal Form 1065 to figure the tax. **Do not make Oregon modifications** to the partnership's earnings. If some partners

have different tax years than others, net earnings from self-employment is determined using amounts from different tax years.

The partnership's return and payment shall be based upon the net earnings from self-employment of the individual partners from the partnership for their taxable years ending with or within the **calendar year**.

Due date: April 17, 2012. The partnership **must** file a return and pay the tax due on or before April 17, 2012.

Example: If a partnership has a tax year ending August 31, 2011, the partnership must pay on or before April 17, 2012, the tax due from the partners' net earnings from the partnership for its taxable year ending August 31, 2011.

Partners: If your partnership is filing on behalf of all partners, you do not need to file a separate Form LTD **unless** you have net self-employment earnings from sources other than the partnership. Report only these additional net self-employment earnings on your *individual* Form LTD.

Amended returns

You must file an amended return to claim a refund of tax paid. To file an amended return, use the appropriate form for the year of the original return and check the **"This is an amended return"** box. Attach an explanation of the changes made to the back of the return. Oregon does not have a separate amended transit tax return.

Line instructions—Form LTD

Instructions are for lines not fully explained on the return.

Line 1. Self-employment earnings.

- **Individuals:** Fill in the amount from federal Schedule SE, Section A, line 3; or Section B, line 3 unless you meet one of the exemptions.

More than one business included on federal Schedule SE? Only include businesses from line 3 of your federal Schedule SE that have net earnings and are doing business or providing services in the Lane Transit District. Do not use a business with a net loss to offset a business with net earnings.

Example: Business A has net earnings of \$20,000. Business B has a net loss of \$10,000. The amount on line 3 of your federal schedule SE is \$10,000. Fill in line 1 of Form LTD the amount of \$20,000. **File one return.** Attach a schedule to the return and include each separate business and their net earnings or losses. There are no carry-forward of losses to another year.

Did you receive Partnership income? Did the partnership file Form LTD and pay the tax for the partners? If so, reduce the amount from your federal Schedule SE, Section A, line 3; or Section B, line 3 by the amount of your income from that partnership.

Important. Do not make Oregon changes or modifications to federal income on Form LTD. Your earnings that are subject to Lane Transit self-employment tax will generally be the same as the earnings you report on your federal Schedule SE, Section A, line 3; or Section B, line 3.

- **Partnerships:** Fill in the net earnings from federal Partnership Form 1065. Do not include Oregon modifications.

Line 2. Apportionment:

- Percentage cannot be less than 0 percent or more than 100 percent.
- Enter 100 percent if **all** of your business activity is within the transit district. Do not fill out **Form TSE-AP**.
- Fill out and attach a completed Form TSE-AP to the back of your Form LTD if your business activity is carried on both in and out of the district.

Line 4. Exclusion. Each taxpayer's exclusion is the lesser of the taxpayer's self-employment earnings (line 3), or \$400.

Individuals. Enter \$400 or the amount on line 3, *whichever is less*. Was the exclusion partially or completely used on another 2011 Form LTD filed by your partnership? If so, fill in only the unused amount of the \$400 exclusion.

Partnerships. Enter \$400 for only those partners whose share of positive earnings are included in the amount on line 3. If any partner's exclusion was partially or completely used on another 2011 Form LTD, include on line 4 only that partner's unused amount of the \$400 exclusion. **Each partner is responsible for ensuring that the total of all exclusions does not exceed \$400.**

Do not include any partner with a loss.

Line 7. Prepayments. Fill in the amount of any advance payments you made for Lane Transit self-employment tax for this tax year.

Line 8. Tax to pay. Include your check or money order payable to the Oregon Department of Revenue. Write your daytime telephone number and "2011 Oregon Form LTD" on your check. Staple your payment and the Form LTD-V payment voucher to the top of your return. An expected refund from your state income tax cannot be used to pay your transit tax.

Line 9. Penalty and interest. For filing or paying late.

Due date. Form LTD is generally due the same day as your federal and Oregon income tax returns. For a calendar year return, this is April 17, 2012.

Interest. If you are paying your tax after the due date, include interest on any unpaid tax.

If you do not pay the tax by the due date, interest will be charged on the unpaid tax. Interest periods generally begin the day after the month the return is due. For 2011, all LTD returns filing on a calendar year, are due on or before April 17, 2012. The change is due to a Federal holiday. Interest is figured daily for periods of less than a month. A month, for example, is May 16 to June 15. Interest rates may change once a calendar year.

To calculate interest due:

- Tax × Annual interest rate × Number of full years.
- Tax × Monthly interest rate × Number of months.
- Tax × Daily interest rate × Number of days.

Interest rates and effective dates:

For periods beginning	Annual	Monthly	Daily
January 1, 2009	6%	0.50%	0.0164%
January 1, 2010	5%	0.4167%	0.0137%
January 1, 2011	5%	0.4167%	0.0137%
January 1, 2012	5%	0.4167%	0.0137%

Interest accrues on any unpaid tax during an extension of time to file.

Additional interest on deficiencies and delinquencies. Interest will increase by one-third of 1 percent per month on unpaid tax. If the tax is not paid within 60 days of our bill, the interest rate increases by 4 percent per year.

Penalty. Include a penalty payment if you:

- Mail your payment of tax due **after** the due date (even if you have an extension), or
- File your return showing tax due after the due date, including any extension.

Possible penalties may include:

- **5 percent** for failure to pay by the due date of the return.
- **20 percent** for failure to file the return within three months of the due date of the return.
- **100 percent** if you do not file three or more required returns by the due date of the third year's return.

Sign your return. Please sign and date your return before mailing.
