Instructions

General information

Any individual or business who purchased cigarettes over the internet, by phone, by mail order, or any other source, whether for personal use or resale, is responsible for paying the tax. If the distributor doesn't pay the tax, the consumer or user of the cigarettes must file a report and remit the tax due. **You must file a separate Form OR-514 for each month you made purchases.** The report is due on or before the 20th day of the month following receipt of the cigarettes for the preceding calendar month. If the 20th falls on a Saturday, Sunday, or legal holiday, the report is due the next business day. The report must show the number of cigarettes received by the consumer or user in the preceding calendar month. **The tax is \$0.0665 per cigarette**, which calculates to \$1.33 per package of 20.

What is the applicable law? This publication isn't a complete statement of Oregon laws. For more information, refer to the laws and rules, Oregon Revised Statutes (ORS) 323.005 through 323.865.
