General information

What should I know about filing this return?

1 First-time filer—Send your original return with a **complete** list of assets and non inventory supplies, and any attachments to the county assessor. Complete a separate return for each location in each county in which you have personal property.

2 Check and sign—If your county assessor did not send a property tax bill last year because your total assessed value was below \$17,000, and you have not purchased or added any taxable personal property, **check the box, sign and date the Taxpayer's declaration**, and submit the return to your county assessor. If you have purchased, added, or disposed of any taxable personal property, report it on this form and return it to your county assessor (ORS 308.250).

3 No property to report—If you don't have taxable personal property in the county, **attach a full explanation**. Explain the disposition of property you reported last year. **Sign and date the Taxpayer's declaration**, and send it to the county assessor before the filing deadline.

4 Logging exemption—If you had a logging equipment exemption in the previous year, check the box. If you're new to the county and you had an exemption in another county, check the box and identify which county granted your exemption. **Note:** To determine if your equipment qualifies for exemption, you must provide specific information. **File form 150-310-026, Environmentally Sensitive Logging Equipment Qualifications, annually with the county in which you file your Confidential Personal Property Return.** Receiving an exemption on specific logging equipment, doesn't relieve the obligation to file a complete return. All assets must be reported and returned to your county assessor (ORS 308.290). General information and the form are available on our website.
