Declaration for qualified business firm

I declare under penalties of false swearing [ORS 305.990(4)] that I have examined this document and all attachments, and to the best of my knowledge they are true, correct, and complete. I have concluded that my firm satisfies the requirements of a qualified business firm and complies with all local, Oregon, and federal laws that are applicable to my business. I understand that property will be disqualified and back taxes imposed if any requirement for its exemption is violated, including but not limited to, its being used in an ineligible activity, or if it is continuously not in use or occupancy for longer than 180 days at any time during the period of exemption. I understand actual use or occupancy in the enterprise zone must begin before July 1, six months after the year in which property is placed in service.

Must be signed by an owner, company executive, or authorized representative of the business firm

Declaration for leased qualified property by lessor

Attach additional pages as necessary for other lessors.

I declare under penalties of false swearing [ORS 305.990(4)] that I have examined this document and all attachments, and to the best of my knowledge, they are true, correct, and complete. I understand the exemption being claimed on property that is leased by me to the authorized business firm. The term of the lease agreement covers all tax years during which the property is expected to be exempt. Under that agreement the lessee is directly responsible for the entire amount of taxes due on any such property, either by compensating me or by being the taxpayer of record. I understand that as the owner (lessor) of the listed qualified property that I lease to the authorized business firm (lessee), I must acknowledge the exemption being claimed so that I may give timely notice on or before July 1 following a year in which noncompliance occurs in order to avoid penalties on back taxes.

Must be signed by an owner, company executive, or authorized representative of the leasing company
