## Things you need to know

---

The updated *Oregon Withholding Tax Tables* reflect the increased federal tax subtraction to \$6,550 and changes to other indexed items. Employees may notice a small change in the amount of Oregon tax withheld. To adjust for too much or too little tax withheld, see *Oregon Income Tax Withholding*, 150-206-643. It's available on the internet at [www.oregon.gov/dor/forms](http://www.oregon.gov/dor/forms) in the Combined payroll section.

### **You may be personally liable for withholding taxes**

As a corporation officer, member, or employee, you can be held personally responsible for unpaid withholding taxes owed by the corporation. That's because Oregon Revised Statutes (ORS) 316.162 and 316.207 authorize the department to transfer the liability for taxes from the corporation to the responsible officers, members, and employees when the corporation fails to pay.

### **Interested in electronic funds transfer (EFT)?**

Payments for combined payroll taxes can be made electronically using the Department of Revenue's electronic funds transfer (EFT) program. You can set up your payments through a secure internet site or through your financial institution. For ACH credit payments, you need to file an authorization agreement with the Department of Revenue before you can receive the department's payment information. To submit your authorization agreement or to make an ACH debit payment, visit [www.oregon.gov/dor](http://www.oregon.gov/dor) and look for the link to Revenue Online.

Even though many businesses are required to make their payments this way, employers may voluntarily participate in the EFT program. Additional information and registration materials are available at: [www.oregon.gov/dor/payments](http://www.oregon.gov/dor/payments) or you may call the EFT help/message line at (503) 947-2017 to receive a program guide.

### **Alternative withholding method for supplemental wage payments**

Employers may use a 9 percent flat rate to figure withholding on supplemental wages that are paid at a different time than an employee's regular payday. Supplemental wages include bonuses, overtime pay, commissions, or any other form of payment received in addition to the employee's regular pay.

## Must I round withholding amounts to the nearest dollar?

The income tax withholding amounts in the wage bracket tables have been rounded to whole dollar amounts. When employers use the percentage method, the tax for the pay period may be rounded to the nearest dollar.

Due dates for paying Oregon withholding tax are the same as due dates for depositing your federal tax liability.

Employers with household employees, or employers who file federal Form 943 for agricultural employment, may file annual returns. All other employers must file a quarterly tax report.

As long as you are registered as an employer, you must file an *Oregon Combined Tax Report* even if you have no payroll during the reporting period.

# Frequently asked questions about the withholding computer formula

---

## **1. What is the difference between twice a month and every two weeks?**

The twice-a-month formula is based upon 24 pay periods a year. The every two weeks or biweekly formula is based upon 26 pay periods a year.

## **2. What is included in “wages”?**

All taxable amounts are included in wages (hourly wage, salary, bonuses, tips, etc.).

## **3. What isn’t included in “wages”?**

Non-taxable amounts such as pre-tax deductions for insurance, cafeteria or flex spending plans (section 125 plans), retirement plans (section 401k, etc.), health savings accounts, etc.

## **4. Do my employees need to adjust their W-4?**

Maybe. If your employee feels like the tables don’t accurately reflect their tax situation, they can change their withholding rate by updating the federal W-4 and writing “For Oregon Only” at the top. Your employee may visit [www.oregon.gov/dor/business](http://www.oregon.gov/dor/business) to find more information on *Oregon Income Tax Withholding*, 150-206-643.

## **5. Can employees use different W-4 withholding information (allowances, etc.) for Oregon withholding than they do for federal withholding?**

Yes, employees can fill out a different W-4 with different information for Oregon. They should indicate the change and write “For Oregon Only” at the top of the W-4.
