Payment Options

How would you like to make a payment?

Pay now with checking or savings

This option allows you to make an electronic funds transfer (EFT) from your checking or savings accounts. The department will initiate a transaction with your financial institution to withdraw the funds from your bank account. There is no fee for this service.

To use this service, you must have received correspondence from us or filed a return in Oregon. This allows us to verify your identity before processing your payment.

Pay now with credit or debit card

You may be charged a service fee by the service provider if you choose this option. The fee is based on the amount of your payment. You'll be notified of the amount of the fee during the transaction, and you'll have the choice to accept the fee and continue, or decline and cancel the payment request.

Once your transaction is processed, you'll receive a confirmation number, and your card will be charged. **Keep this confirmation number as proof of payment.** The payment and service fee will appear as separate charges on your credit card statement.

The Department of Revenue currently accepts Visa, Mastercard, and Discover.

Please note: If you can't pay your balance in full, you need to set up a payment plan. Having an outstanding account balance without a payment plan may result in collection actions.

* A service charge of 2.4 percent will be separately charged to credit/debit card payments.
