

## NEWS FROM STANDARDS & CERTIFICATIONS

GREETINGS ACADEMY TRAINING INSTRUCTORS!

Standards and Certifications have some exciting news regarding your DPSST Instructor Certification. There have been changes to Oregon Administrative Rule and how instructor certifications are issued. We think you are going to like it!

1. All instructors will be issued a DPSST number unless you already have one. Reminder: As with all public safety certifications, instructor certification is subject to denial and revocation. (259-008-0070 Denial/Revocation)
2. Certifications no longer expire! All instructors who held an active Instructor Certification on January 01, 2014 will not be required to re-apply for certification.
3. Instructor certification will lapse after 5 years if you are not utilized as an instructor. If your instructor certification has lapsed, to qualify for re-certification, you may be required to satisfactorily complete an additional Instructor Development Course. (259-008-0080 Certification of Instructors)
4. Instructor Scheduling will continue as always.
