2. *OAR 259-008-0020 and OAR 259-009-0010 – Proposed Rule Change– Social Security Numbers.

Jennifer Howald reviewed the details of the proposed rule change. DPSST requested a review by the Department of Justice regarding its use and storage of Social Security Numbers to ensure compliance with state and federal law. DOJ concluded that DPSST needs to modify its forms and practices to be in compliance with the law. The proposed rule change will strike language containing references to Social Security numbers from the Criminal Justice Rule and Fire Rule. DPSST will also audit all forms to make sure the language is in compliance on forms for use by our Constituents.

Action Item 1: Determine whether to recommend filing the proposed language for OAR 259-008-0020 and OAR 259-009-0010 with the Secretary of State as a proposed rule.

Action Item 2: Determine whether to recommend filing the proposed language with the Secretary of State as permanent if no comments are received.

Bill Geiger made a motion to approve Action Item 1 & 2 as so stated. Kelly Dutra seconded the motion. With no further discussion, the motion carried with a unanimous vote.

Action Item 3: Determine whether there was any significant fiscal impact on small businesses.

The members found there to be no fiscal impact on small businesses.

3. * OAR Chapter 259 Division 008 – Proposed Rule Change – Housekeeping

In review of the Chapter 259 Administrative Rule and our forms, inconsistencies were found in the use of the term department head and use of the term agency head. Agency head is not found in our definitions and department head is, so the proposed language recommends to change all of the language to department head. DPSST will do a complete audit of forms to ensure consistency with this Rule.

Action Item 1: Determine whether to recommend filing the proposed language for Chapter 259 rules with the Secretary of state as a proposed rule.

Action Item 2: Determine whether to recommend filing the proposed language with the Secretary of State as a permanent rule if no comments are received.

Kelly Dutra made a motion to approve action items 1 & 2 as so stated. Joe Seibert seconded the motion. With no further discussion, the motion carried with a unanimous vote.

Action Item 3: Determine if this creates a significant fiscal impact on small businesses.

The members found there to be no fiscal impact on small businesses.
