ROHRS Admonishment (Rev. May 2022)

I am asking you to provide physical cooperation and submit to purely physical field sobriety tests. None of the tests I will ask you to perform will require you to reveal your thoughts, beliefs or state of mind. The tests will include the horizontal gaze nystagmus test, the walk and turn test and the one leg stand test (briefly explain & demonstrate tests excluding counting out loud). Do you have any questions regarding these tests or what I am asking you to do? Your failure to provide physical cooperation and submit to these purely physical tests may be used against you in any criminal or civil proceeding.
