 - OLM015A – Start 11/2
 - SLA041A – Start 11/16
 - OLM015B – Start 11/30
 - SLA041B – Start 12/14

Reminder - Public Safety Training Delivery during the COVID-19 Pandemic: The number of Basic students on campus has largely returned to our pre-COVID normal. We know and have made the Governor's Office aware that we have restarted our training operations understanding that we cannot completely eliminate the risks of contracting or spreading COVID-19 while engaged in public safety training.

We will continue to do our best to mitigate risks whenever possible, and will be prepared to address student or staff illnesses (COVID or otherwise) as swiftly and as safely as possible.

All of our Basic/Leadership students and DPSST staff are being directly and purposefully asked to assume basic responsibility of their own personal health and safety. Any student, student employer or staff member unwilling to risk exposure to COVID, or any other illness or injury at any time while on the OPSA campus is expected to immediately report their concerns and cease engagement in all training-related activities.

Updated Health & Safety protocols are available on the DPSST website.

BPP81 & BP398 Graduation: BPP81 will be concluding their Basic training on 7/24; BP398 on 7/30. Due to the COVID-19 pandemic and continued restrictions on social gatherings these ceremonies will be closed to the public. However, we would like to publicly congratulate the students of BPP81 and BP398 on their successful completion of basic training. Questions or inquiries about the modified graduation ceremony can be directed to Academy Class Manager Mike Herb at (503) 378-2327 or mike.herb@state.or.us.

Customer Service Survey: As part of the State's budgeting process, DPSST is required to report to the Legislature on certain performance measures based on constituent feedback. A survey has been designed to gather the needed information.

Everyone who works with DPSST to arrange or receive certification or training services is encouraged to respond, regardless of rank or position. Your feedback is necessary to be able to report meaningful results and also help DPSST identify areas that may need improvement.

To open the survey, control and click on the link. This will re-direct you to Survey Monkey.

<https://www.surveymonkey.com/r/X9S8TVJ>

The survey should take about 10 minutes to complete. Detailed explanations of rankings of "excellent" or "poor" are helpful.

Please feel free to contact me with any questions about the survey or how the data is used.

Thank you for your assistance and continued support.

Stay safe,

Linsay Hale, Professional Standards/Interim Training Division Director
