EVALUATION SCORING MATRIX

SCORING: A score of 80 or above is required to pass any task: this is not a cumulative score.

A score below 80 on any task: may retake up to 2 tasks on the same day.

A score of 69 or below must retake all tasks on another date.

If below 80 on second time: must redo the entire test on another date.

If fail same task twice: retake entire test another date.

A maximum of two tasks may be retaken in one day.

Accuracy:

Pass	100.	Performed task with 100% accuracy and no hesitation
Pass	90.	Performed task very accurately and little hesitation
Pass	80.	Performed task satisfactorily, with minimal hesitation
Fail	70.	Performed task minimally, needs to improve. (Retake task one time)
Fail	69 or ⬇	Unable to perform the task (Fail and retake every task)

Safety:

Pass	100.	Extremely safety conscious
Pass	90.	Safe operation
Pass	80.	Safe operation with minor oversights
Fail	70.	Performed task minimally, needs to improve. (Retake task one time)
Fail	69 or ⬇	Unable to perform the task (Fail and retake every task)

Time:

P/Pass	Without hesitation, efficiently
NP/ No Pass	Did not pass - tentative, inefficient
NA/Not Applicable	Not applicable, the time element does not apply to this task
