NOTICE FILED DATE: 08/22/2023

RULE SUMMARY: OAR 259-008-0085 maintains the minimum standards for Board-approved mandated courses, including the student performance measures for each course. Student performance measures include assignments, skills assessments, quizzes, midterms and finals. This rule change removed the requirement to have a minimum cumulative quiz score of 75% from the requirements of the Basic Police Course. Students will still be required to meet the minimum of 75% on the midterm and the final. See section (21)(a) for the rule changes.

Under the prior curriculum, this served as a student progression measurement. If a student was unable to obtain and maintain a minimum of 75% cumulatively on the quizzes, they were unlikely to be able to meet the 75% minimum score required for the midterm and the final. With the revision and reorganization of the Basic Police Course, Quiz 4 now occurs between the midterm and final exams, and maintaining a cumulative quiz score no longer serves the same purpose.

This rule change means that quiz scores will no longer result in an academic failure. The quizzes will still be used to measure student progress and provide an opportunity to assess and advise. If a student is not averaging 75% on quizzes leading up to the midterm, DPSST will use this information to advise the student and employing agency on the best course of action going into the midterm or final, which must be completed with a minimum score of 75% or better.
