NEED FOR THE RULE(S):

This rule change is necessary to correctly reflect the current fees for the Private Security Certification and Licensure Program. The Department of Public Safety Standards and Training (DPSST) filed fee increases for private security provider certifications and licenses through a permanent rule change effective January 1, 2022. The fee increases were not ratified during the 2022 Legislative Session. Fees that are not ratified are rescinded.

The fee increases for the Private Security Certification and Licensure Program are still necessary to ensure the program will have enough revenue to cover expenses for the remainder of the 2021-2023 biennium and to maintain the program's current service level into the next biennium. The temporary rule will allow DPSST time to re-complete the processes to implement the fee increases.

JUSTIFICATION OF TEMPORARY FILING:

The Private Security Certification and Licensure Program fee increases were not ratified during the 2022 Legislative Session. Fees that are not ratified are rescinded after the session ends. The temporary rule is needed to correctly reflect the current Private Security Certification and Licensure Program fees.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

The Private Security and Investigator Policy Committee and the Board on Public Safety Standards and Training meeting minutes are available on the Department of Public Safety Standards and Training website, www.oregon.gov/dpsst. The DPSST staff memos prepared for each entity are available by submitting a records request to DPSST.

AMEND: 259-060-0500

RULE SUMMARY: This temporary rule change is needed to return the fees listed in administrative rule back to the fees listed in the rule before January 1, 2022. This is a procedural change. DPSST filed a permanent rule change increasing the fees effective on January 1, 2022. DPSST postponed implementation of the increased fees to allow for the fees to be ratified by the Legislature during the 2022 Session. The increased fees were not implemented and DPSST continued to use the old fee amounts. DPSST submitted a timely request for fee ratification to the Legislature. DPSST received notice

from the Legislative Fiscal Office that the fee increases would not move forward in the 2022 session because there were timing difficulties in getting them all the way through the process. Fees that are not ratified during a legislative session are rescinded.

The fee increases for the Private Security Certification and Licensure Program are still necessary to ensure the program will have enough revenue to cover expenses for the remainder of the 2021-2023 biennium and to maintain the program's current service level into the next biennium. DPSST will submit a new proposed rule change to re-complete the process for the fee increases.
