The Criminal Justice Certification Workshop is an informational/training workshop geared at providing Criminal Justice administrative staff assistance on understanding the requirements and processes related to ensuring public safety professionals obtain and maintain the required public safety certifications.

Though this workshop is geared toward administrative staff, all public safety professionals are welcome to attend.

The workshops that were cancelled was an October 3rd class in DPSST and an October 16 class in Multnomah County. We are working with the few registrants to move them to other classes.
