

2023 Common School Fund Distributions to Districts

In 2023, K-12 public school districts across Oregon will receive \$72.2 million from the state's Common School Fund.

[Learn more about the Common School Fund.](#)

The total amount distributed is 3.5 percent of the Fund, which is currently valued at \$2.1 billion. Funds are provided to districts in two equal payments. The first payment was sent to districts in January 2023; the second payment will be sent in July 2023.

The Department of State Lands sends each total distribution to the Oregon Department of Education, which calculates the amount of money each school district receives based on the number of students per district. The calculation methodology is defined in [ORS 327.410](#).

The table below provides the total amount each of Oregon's 197 public school districts will receive in 2023.
