

State Land Board Meeting Summary – April 12, 2016

Land Board Awards

Two Wetland Project Awards were presented honoring work completed in 2015:

- Batwater Station Floodplain Restoration Project, Clatskanie
- North Unit Restoration Project, Sauvie Island Wildlife Area

The Land Board approved the Consent Agenda.

Action Agenda

The Land Board approved, by a vote of 2 yes (Governor Brown and Secretary of State Atkins) and 1 no (Treasurer Wheeler) to authorize the Department of State Lands to distribute 5 percent of the three-year rolling average balance of the Common School Fund for the 2015 – 2017 biennium.

The Land Board adopted new administrative rules governing the identification, notification, sale and exchange, clearing title or reservation of historically filled lands, and the approval to create, sell, exchange or reserve new lands (OAR 141-068); and amendments to and repeal of administrative rules that reference new and historically filled lands within OAR 141-067.

The Board also approved:

- Selling 17.3 acres of submersible and filled lands in Coos County
- Selling 120 acres of in-lieu lands in Linn County to satisfy a longstanding debt to the Baldwin-Herndon Trust

Informational Agenda

The Board received the annual report on Common School Fund investments; the annual real property management report; and an overview of the Department's cultural resource management program.
