The data for this report is based on tax lot and ownership information provided by County Assessor's Offices. It does not include public rights of way (highways, roads, and streets) or waterbodies, which have not been assigned a tax lot by a County Assessor. As a result, the land reported as owned by the State of Oregon consists of only those properties which have been assigned a tax lot and does not include property classified as public rights of way or waterbodies by the county assessor. This report does not include State ownership of 'Mineral Rights' (subsurface only property ownership).
