- Tailored
- Collaborative and Adaptive
Multiple Value Management

Plantations
(Primary focus: Economic)

Protected Areas
(Primary focus: Conservation)

Single Value Management

Extensive
(Multiple Values: Social, Economic, Conservation)
Governance Subcommittee Comments

- Need a commitment to public access and public input

- Sustain the trust and relationships built through the current DSL Advisory Committee process into the foundation for a future ESRF Advisory Board

- Clarify the process for public input

- Articulate the relationship between the OSU Board of Trustees and the State Land Board

- Need mechanisms for accountability

- The Advisory Board should have a meaningful role including liaising, collaboration and partnerships
