NOTICE FILED DATE: 06/30/2025

RULE SUMMARY: This rule is amended to include the ability for the Department to deny applications for uses that are inconsistent with a Total Maximum Daily Load Plan (TMDL) or when a structure is not in a state of good repair. Additionally, prevents the Department from executing authorizations until all documents, fees, payments, financial assurances, or other requirements have been received by the Department.

CHANGES TO RULE:

141-082-0260

General Provisions ¶¶

(1) Pursuant to Oregon law as defined in ORS 274, all tidally influenced and title navigable waterways (referred to as state-owned submerged and submersible land) have been placed by the Oregon State Legislature under the jurisdiction of the State Land Board and the Department, as the administrative arm of the State Land Board.¶¶

(2) The State Land Board, through the Department, has a constitutional responsibility to manage "the lands under its jurisdiction with the object of obtaining the greatest benefit for the people of this state State of Oregon, consistent with the conservation of this resource under sound techniques of land management" pursuant to Article 8, Section 5(2) of the Oregon Constitution.¶¶

(3) State-owned submerged and submersible land is managed to ensure the collective rights of the public, including riparian owners, to fully use and enjoy this resource for commerce, navigation, fishing, recreation, and other public trust values. These rights are collectively referred to as "public trust rights."¶¶

(4) No person is allowed to place a structure or vessel on, or make use of state-owned submerged and submersible land, regardless of the length of time the structure may have existed on, or the use may have occurred on the land, without the required authorization described in these rules, unless the structure or use is exempt from such authorization by law or these rules. Ownership of state-owned submerged and submersible land cannot be obtained by adverse possession regardless of the length of time the structure or use has been in existence.¶¶

(5) All uses of state-owned submerged and submersible land must conform to local (including local comprehensive land use planning and zoning ordinance requirements), state, and federal laws.¶¶

(6) The Department shall not authorize a grant an authorization for an existing or proposed use or structure if it:¶¶

(a) It is inconsistent with local, state, or federal laws;¶¶

(b) It is not in compliance with these rules;¶¶

(c) It would result in an unreasonable interference with the public trust rights of commerce, navigation, fishing, and recreation;¶¶

(d) It would have unacceptable impacts on public health, safety or welfare, or result in the unacceptable loss of, or damage to natural, historical, cultural, or archaeological resources;¶¶

(e) It is prohibited by a State Land Board or Department-adopted area closure, use restriction, or waterway management plan (such as the Lower Willamette River Management Plan; a Total Maximum Daily Load Plan; or the Oregon Territorial Sea Plan);¶¶

(f) It is inconsistent with any endangered, threatened, endangered, and candidate fish and wildlife species management plan adopted by the Department under the Oregon Endangered Species Act (ORS 496.171 to 496.192); ~~or~~¶¶

(g) If it is inconsistent with a total maximum daily load plan or the department's implementation plan as a designated management agency; or¶¶

(h) It extends from the bank of a waterway for a distance that exceeds 25 percent of the width of the waterway, unless authorized by the Director. In determining whether to authorize a structure that extends in excess of more than 25 percent of the width of the waterway, the Director shall consider:¶¶

(A) Whether the structure alone, or in combination with existing structures within the waterway, would unreasonably interfere with the public trust rights of commerce, navigation, fishing, and recreation;¶¶

(B) Whether the physical conditions of the land or waterway requires a structure ~~into excess of~~ ed 25 percent of the width of the waterway in order to engage in the proposed use.¶¶

(i) The existing structure is not in a state of good repair, has been inspected by an insurance company and cannot be properly insured, or has been inspected by the local planning authority or building inspector and is found to be in violation of local building codes.¶¶

(7) No applicant for, or person holding an authorization from the Department shall request from any government agency a change in the zoning for; or approved uses of a parcel of state-owned submerged and submersible land

without first applying to, and receiving written approval from the Department to request such a change.¶

(8) When a use or structure subject to written authorization from the Department becomes exempt from written authorization, compensation, or both, by a change in the law or in these rules, the holder may terminate the written authorization or allow the written authorization to expire by its terms. If the written authorization is terminated, the holder is not entitled to receive any reimbursement from the Department for any compensation or other fees paid by the holder to the Department under the written authorization prior to expiration or termination.¶

(9) ~~All references in these rules to "state-owned submerged and submersible land" include state-owned submerged lands or submersible lands or both.~~Unless otherwise allowed by the director, the department shall not execute a wharf certification or authorization until all information, documents, fees, payments, financial assurances, or any other remaining documents required by the department for that certification or authorization have been received by the department. Certifications, registrations, leases, and public facility licenses issued under these rules are executed upon signature by the department.

AMEND: 141-082-0270

NOTICE FILED DATE: 06/30/2025

RULE SUMMARY: This rule is amended to add requirements that structures not open and clear of debris, materials, or other equipment, do not qualify as a wharf. Additionally, when a wharf changes its use, the owner must obtain the appropriate authorization from the Department.

CHANGES TO RULE:

141-082-0270

Wharf Certification ¶

(1) ~~Any person owning~~The owner of a wharf located on state-owned submerged and submersible lands ~~must shall~~ certify that the structure is a wharf. The wharf certification of the wharf shall be on a form provided by the ~~D~~department. There is no fee associated with submission of a wharf certification.¶

(2) Upon receipt of a wharf certification form, the ~~D~~department shall review it for completeness. If the structure is a wharf as defined in ORS 780.040 and in these rules, the ~~D~~department shall issue to the owner a written certification that the structure is a wharf. There is no compensation due the ~~D~~department for a wharf certification.¶

(3) In applying the definition of a wharf as set forth in ORS 780.040 and in these rules, the following criteria will apply, where appropriate:¶

(a) A "government function," as used in this section, is an activity engaged in by ~~federal, state or local~~ government agencies in order to perform the function of those agencies or protect the health and safety of the public they at the government agencies serve.¶

(b) A ship, boat or vessel owned by a ~~federal, state, or local~~ government agency is engaged in a government function if it is exclusively dedicated to the performance of a government function and is either currently engaged in the performance of a government function (such as a ship owned or under contract to a government agency such as the United States Navy, United States Coast Guard, United States Army Corps of Engineers, or a fire, police, or sheriff's department), or if not currently engaged in the performance of a government function, is able to be quickly activated to perform the function for which it is dedicate (such as a United States Maritime Administration Ready Reserve Force ship).¶

(c) A structure used to load and unload passengers from a ship, boat, or vessel transporting passengers (such as a passenger ferry, cruise ship, or tour boat) is not a structure engaged in the receipt and discharge of goods or merchandise.¶

(d) A structure must be open and clear of all debris and materials when not actively being used in the receipt and discharge of goods or merchandise; if any cranes or other permanent infrastructure such as offices, conveyor belts, forklifts, pallets, shipping containers, and other equipment and materials are stored on state-owned submerged and submersible land, the structure will be subject to a waterway lease or other appropriate authorization.¶

(4) A wharf certification is valid for a term of ~~ten~~five years from the date it is issued. Upon expiration of a wharf certification, the owner thereof ~~must shall~~ recertify that the structure is a wharf as set forth above.¶

(5) If the ~~D~~department does not certify the structure as a wharf, the owner thereof ~~must shall~~ obtain the appropriate authorization from the ~~D~~department in compliance with these rules. Unauthorized structures must be removed pursuant to OAR 141-082-0310.¶

(6) A wharf certified in compliance with these rules may be repaired or replaced without prior notice to the ~~D~~department. However, the owner of the wharf ~~must shall~~ notify the ~~D~~department in writing describing the repair or replacement within 90 calendar days of making such repairs or replacement. Any repair and replacement work is subject to all other applicable local, state, and federal laws.¶

(7) The ~~D~~department must be notified in writing of any:¶

(a) Change in the location, size, or use of the wharf at least 90 calendar days prior to such change;¶

(b) Change in ownership of the wharf as a result of a sale or conveyance within 90 calendar days of the transfer of ownership.¶

(c) Change in ownership of the wharf by operation of law resulting from a bankruptcy, foreclosure, estate settlement, or the like within 30 calendar days of the final settlement or decision. ¶

(8) Failure of the owner to notify the ~~D~~department of a change in the location, size, use, or the ownership of the wharf within the time provided shall may result in the automatic termination of the wharf certification.¶

(89) If the use of a certified structure changes to a use that requires an authorization under these rules, the owner shall obtain the appropriate authorization for such use or uses from the department as provided in these rules.¶

(10) The ~~D~~department shall provide a copy of the wharf certification to the appropriate county official in the

county where the wharf is located.¶

~~(911)~~ If a structure is used in part as a wharf and in part for a use or uses that are subject to authorization under these rules, the owner ~~must~~shall obtain the appropriate authorization for such use or uses from the ~~D~~Department in compliance with these rules.

Lease and Public Facility License Application Review Process ¶

(1) Upon receipt of an application for a lease or public facility license ~~to use state-owned submerged and submersible land, the Department shall review it for completeness and to determine if it is for a use that conforms to the provisions of these rules. If the application is complete and the use conforms to the provisions of these rules, the application shall be deemed accept. If the application is complete the department shall process the application according to these rules.~~ ¶

(2) A complete application shall include the following: ¶

(a) ~~the appropriate application fee identified in OAR 141-082-0306;~~ ¶

(b) a form provided by the department and signed and filled out by the applicant or the applicant's agent; and ¶

(c) ~~any additional information or attachments identified in the form provided by the Department.~~ ¶

(23) If an application for a lease or public facility license is determined by the Department to be incomplete, the Department shall notify the applicant of the additional information required. ~~If a rejected application is resubmitted within 120 calendar days from the date the Department returned the application, no additional application fee shall be assessed.~~ ¶

(3) ~~If more than one application for a specific~~ ¶

(4) ~~If more than one application for a specific premises or licensed area is received by the Department, the Department shall determine which proposed use best fulfills the general provisions specified in OAR 141-082-0260. The Department shall then accept and proceed with process that application according to these rules, and deny the others.~~ ¶

(45) Notwithstanding the provisions of OAR 141-082-0260(6)(a), the Department may ~~accept~~ process an application for a use or structure that is not currently allowed under local land use laws, or that requires a conditional use permit from the local government agency, if the applicant is actively pursuing in good faith a change to the local land use laws or a conditional use permit that would enable the use to occur, provided the Department has approved the change under OAR 141-082-0260(7). ¶

(56) The Department ~~may reject~~ shall determine if the proposed or existing use conforms to the provisions of these rules. The department may deny an application for a lease or public facility license if: ¶

(a) The applicant's financial status or past business/management practices or experience indicates that they may not: ¶

(A) Be able to fully meet the terms and conditions of a lease or ~~other form of authorization offered by the Department~~ public facility license; or ¶

(B) Use the land applied for in a way that meets the provisions of OAR 141-082-0260(2) and (3). ¶

(b) The applicant is in default on any other authorization granted to them by the Department. ¶

(6c) ~~Following acceptance of an application for a lease, the Department shall offer a preference right to lease to the eligible party as defined in OAR 141-082-0255(64) and (65), hereafter referred to as the preference right holder. The Department shall take the following steps to offer a preference right:~~ ¶

(a) ~~If the riparian property adjacent to the proposed lease area consists of tax lots having different owners, the Department shall subdivide the requested lease area into smaller parcels by extending lines from the boundaries of, or within the boundaries. The application does not contain complete information or otherwise does not provide the information requested of~~ the adjacent riparian tax lots, beginning at the point on which the boundaries intersect with the line of state ownership perpendicular to the thread of the stream so that there is a separate area offered for each adjacent riparian tax lot under separate ownership. ¶

(b) ~~If the riparian property adjacent to the proposed lease area consists of a single tax lot, or two or more contiguous tax lots owned by the same person, the Department shall extend the boundaries of the single tax lot or combined group of tax lots beginning at the point on which the boundaries intersect with the line of ordinary high water, perpendicular to the thread of the stream creating a single lease application form and the applicant has not responded to a request for more information for 120 calendar days or more.~~ ¶

(ed) ~~For applications to use state-owned submerged and submersible land within a cove or lake, the Department~~

shall apply generally accepted surveying principles to determine the amount of lease area subject to the preference right of an adjacent riparian owner. The use does not conform to the provisions of these rules.¶

(d) Following identification of the preference right holder, or holders, the Department shall provide written notice to each preference right holder that a lease application has been accepted by the Department. Within 30 calendar days from the date of written notice from the Department, each preference right holder must provide the Department written notice of the preference right holder's intent to exercise the preference right to lease the proposed lease area, and submit a new application for a lease to the Department for the use app shall offer a preference right to the preference right holder, following the process outlined for or any other use in OAR 141-082-0281.¶

(e) Upon receipt of an application from a preference right holder as provided in OAR 141-082-0280(10), the Department shall review it for completeness and to determine if it is for a use that conforms to the provisions of these rules. If the application is complete and the use conforms to the provisions of these rules, the preference right holder's application shall be deemed accepted by the Department.¶

(f) Upon acceptance of a preference right holder's application, the Department shall process the application as set forth in OAR 141-082-0280(8)-(13), below.¶

(g) If the preference right holder does not exercise the preference right, or if the preference right holder's application is rejected, or if application is accepted but the preference right holder fails to execute a lease with the Department within 120 calendar days of the date of the preference right holder's notice of intent to the Department to exercise the preference right, the preference right holder shall be deemed to have waived the preference right and the Department shall process the application initiating the offering of the preference right as set forth in OAR 141-082-0280(7)-(13), below.¶

(7) If the preference right holder waives the preference right, the Department shall put the lease out for competitive bid pursuant to the requirements of ORS 274.040, and in accordance with the following process:¶

(a) The Department shall prepare and publish an advertisement for bids. The minimum bid amount shall be set by the Department upon determining that the application is complete and following the processes outlined in OAR 141-082-0281, shall circulate the application to various local, state, and federal agencies and other interested persons including Tribal governments, adjacent property owners, affected lessees, permittees, grantees, and other authorization holders for review and comment. The Department.¶

(b) A bidder may bid on the use applied for in the application initiating the offering of the preference right or any other use that conforms to the provisions of these rules and that requires an annual lease compensation rate equal to or greater than the minimum bid amount. The highest bidder shall be awarded the right to lease, subject to compliance with the provisions of these rules.¶

(c) Following the closing of bids applicable. As a part of this review, the Department shall provide written notice to the highest bidder of the award and of the right to enter into a lease with the Department. Within 30 calendar days from the date of written notice from the Department, the person notified must provide the Department written notice of the bidder's intent to enter into a lease for the proposed lease area.¶

(a) The presence of state or federal listed threatened, endangered, submit a new application for a lease for the use that was the subject of the bid, and submit a bid deposit in a sum equal to one-half of the annual lease compensation for the use that was the subject of the bid. The purpose of the bid deposit and candidate plant, fish, and wildlife species and archaeological and historic resources within the Department.¶

(d) Upon receipt of the application, the Department shall review it for completeness and to determine if it is for a use that conforms to the provisions of these rules. If the application is complete and the use conforms to the provisions of these rules, the application shall be deemed accepted by the Department. Upon acceptance of the application, the Department shall process the application as set forth in OAR 141-082-0280(8)-(13), below.¶

(e) If the bidder awarded the right to lease does not exercise the right to lease, or if the bidder's application is rejected, or if the application is accepted but the bidder fails to execute a lease with the Department within 120 calendar days of the date of the bidder's notice of intent to the Department to exercise the right to lease, the right to lease shall be deemed to have been waived. If bidder's right to lease is waived, the bidder's bid deposit will be forfeited to the Department and the Department shall offer the right to enter into a lease to the next highest bidder according to the procedures set forth in OAR 141-082-0280(7)(c).¶

(f) If the bidder enters into a lease with the Department, the amount of the bid deposit shall be applied to the first annual lease compensation payment.¶

(8) Except as provided in OAR 141-082-0280(10), the Department shall notify the appropriate city or county planning department, pertinent state and federal agencies, federally recognized tribal governments, ports and all lessees and adjacent riparian property owners (as available from the local county assessor's office records) of the application and request review and comment. The Department may require the applicant to respond to comments where applicable requested premises or licensed area that may be disturbed by the proposed use.¶

(b) Conformance of the proposed use with local, state, and federal laws and rules.¶

- (c) Conformance of the proposed use with the local comprehensive land use plan and zoning ordinances;
- (d) Conformance with the general provisions described in OAR 141-082-0860 of these rules; and
- (e) Potential conflicts of the proposed use with existing or future public trust uses of the requested premises or licensed area.

(9) The Department may provide notice of an application and opportunity to comment at a local government building, public library, or other appropriate locations in order to ensure that minority and low-income communities are included and aware of a proposed use. The Department shall make paper copies of an application available to any person upon request.

(10) The Department shall not request review and comment on an application to obtain a lease or public facility license as provided in OAR 141-082-0280(8) if the use or structure:

- (a) Has already received the necessary city or county approvals;
- (b) Has been subjected to public comment during a prior circulation; and
- (c) Has not changed in terms of the size of the ~~authorized~~ premises or licensed area, or use of that ~~area~~ premises or licensed area, since the time ~~those~~ any city or county approvals were given.

(11) Based on the evaluation of the application and the comments received, the Department shall:

- (a) Approve the application and ~~continue to process~~ execute the lease or public facility license;
- (b) Require that the applicant modify and resubmit the application; or
- (c) Deny the application.

(12) The ~~Authorized~~ premises or licensed Area shall include all state-owned submerged and submersible lands ~~not available for public trust uses~~ including the area between moorage slips, boat wells, and all gangways; ~~except those uses qualifying as a registration.~~

~~(13) In the event,~~

(13) If the Department cannot readily determine the limits/boundaries of the ~~authorized~~ requested area ~~requested~~ premises or licensed area from the description provided by the applicant or, if in the judgment of the Department, a dispute may arise concerning the description, the Department may require the applicant, at applicant's cost, to have a survey of the requested premises or licensed area conducted by a licensed professional engineer or surveyor. ~~The applicant will be responsible for any costs of the survey.~~

RULE SUMMARY: This rule is being adopted to create a separate rule detailing the existing preference right and competitive bid process. Sections were added to clarify what an advertisement for a bid and what a submitted bid should contain, as well as when the Department is required to perform a preference-right review.

CHANGES TO RULE:

141-082-0281

Preference Right and Competitive Bid Process

(1) The department shall take the following steps to offer a preference right:¶

(a) If the riparian property adjacent to the proposed premises consists of tax lots having different owners, the department shall subdivide the requested premises into smaller parcels by extending lines from the boundaries of or within the boundaries of the adjacent riparian tax lots, beginning at the point on which the boundaries intersect with the line of state-ownership perpendicular to the thread of the stream so that there is a separate area offered for each adjacent riparian tax lot under separate ownership.¶

(b) If the riparian property adjacent to the proposed premises consists of a single tax lot, or two or more contiguous tax lots owned by the same person, the department shall extend the boundaries of the single tax lot or combined group of tax lots beginning at the point on which the boundaries intersect with the line of state-ownership, perpendicular to the thread of the stream creating a single premises.¶

(c) For applications to use state-owned submerged and submersible land within a cove or lake, the department shall apply generally accepted surveying principles to determine the area of the premises subject to the preference right of an adjacent riparian owner.¶

(d) Following identification of any preference right holders, the department shall provide written notice to each preference right holder that a lease application has been accepted by the department. Within 30 calendar days from the date of written notice from the department, each preference right holder shall provide the department written notice of the preference right holder's intent to exercise the preference right to lease the proposed premises and submit a new application for a lease to the department.¶

(e) Upon receipt of an application from a preference right holder, the department shall review it for completeness as set forth in OAR 141-082-0280(1) and (2). If the application is complete and the use conforms to the provisions of these rules, the department shall process the preference right holder's application according to these rules.¶

(f) Once the department has determined the application complete, the department shall process the application as set forth in OAR 141-082-0280(8) through (13).¶

(g) The preference right shall be considered waived by the department for the following reasons:¶

(A) The preference right holder does not exercise their preference right: ¶

(B) The department denies the preference right holder's application, in accordance with OAR 141-082-0280(6); or¶

(C) The preference right holder fails to execute a lease with the department within 120 calendar days of the department offering of the lease.¶

(2) If the preference right holder waives the preference right, as outlined in subsection (1)(g) above, the department shall put the lease out for competitive bid pursuant to the requirements of ORS 274.040 and in accordance with the following process:¶

(a) The department shall prepare and publish an advertisement for bids. The minimum bid amount shall be set by the department.¶

(b) The advertisement shall contain the following:¶

(A) The type of auction and the minimum bid set by the department:¶

(B) The location and size of the requested premises:¶

(C) The deadline for submitting a complete application to the department:¶

(c) A bidder may bid on the use applied for in the application initiating the offering of the preference right or any other use that conforms to the provisions of these rules and that requires an annual lease payment rate equal to or greater than the minimum bid amount. The highest qualified bidder shall be awarded the right to lease the proposed premises, subject to compliance with the provisions of these rules.¶

(d) All bids submitted to the department must contain the following:¶

(A) An application for use of state-owned submerged and submersible lands, identifying an activity that conforms to the provisions of these rules.¶

(B) A new application fee, in accordance with OAR 141-082-0306(2).¶

(C) Information regarding the amount per year the bidder intends to pay the department for use of the state-

owned submerged and submersible land.

(e) Following the closing of bids, the department shall provide written notice to the highest qualified bidder of the award and of the right to enter into a lease with the department. Within 30 calendar days from the date of written notice from the department, the person notified shall provide the department written notice of the bidder's intent to enter into a lease for the proposed premises and submit a bid deposit in a sum equal to one-half of the annual lease payment for the use that was the subject of the bid. The purpose of the bid deposit is to ensure the bidder enters into a lease with the department.

(f) After written notice of the bidder's intent and the bid deposit is received, the department shall review the application for completeness and determine if it is for a use that conforms to the provisions of these rules. If the application is complete and the use conforms to the provisions of these rules, the department shall process the application as set forth in OAR 141-082-0280(8) through (13).

(g) If the bidder awarded the right to lease does not exercise the right to lease, or if the bidder's application is denied, or if the application is accepted but the bidder fails to execute a lease with the department within 120 calendar days of the date of the bidder's notice of intent to the department to exercise the right to lease, the right to lease shall be deemed to have been waived. If the bidder's right to lease is waived, the bidder's bid deposit will be forfeited to the department and the department shall offer the right to enter into a lease to the next highest qualified bidder according to the procedures set forth in OAR 141-082-0281(2)(e).

(h) If the bidder enters into a lease with the department, the amount of the bid deposit shall be applied to the first annual lease payment.

(3) The department shall not require a preference right review or put the lease out for competitive bid:

(a) For applications to renew a lease, when the lessee is in good standing and the lease has been continuously authorized, notwithstanding any holdover provisions that may apply; or

(b) For applications to modify a lease, as required under OAR 141-082-0295 of these rules; or

(c) When the applicant is the preference right holder;

(d) For applications for a new public facility license or registration or applications to renew or amend a public facility license or registration; or

(e) For those reasons provided in ORS 274.040.

Lease Compensation Formulas, Methods and Annual Lease-Parcel Annual Lease Payments (PALP)

Compensation Adjustments

~~(1) The Department has established three methods to determine the compensation owed for the use of state-owned submerged and submersible land. For some uses, more than one method is available.~~

~~(2) The three methods are termed the:~~

~~(a) "Flat Rate Method" (which is determined by multiplying the initial annual lease payment under a lease is the parcel annual lease payment (PALP), or, if the premises are comprised of more than one parcel, the number of square feet of an area requested, or that has been authorized, by a specific rate unique to the use) the PALPs for each parcel.~~

~~(b) "Riparian Land Value Rate Method" (which is based on a percent of the assessed value of the upland adjacent to the area which has been requested, or that has been authorized).~~

~~(c) "Percent of Gross Method" (which is based on the percent of the actual annual gross income received by the lessee from using the area that has been requested, or that has been authorized) For each parcel that is part of the premises, the PALP is calculated as follows:~~

~~(a) PALP = ALV x use rate x parcel area.~~

~~(b) Regardless of which method (OAR 141-082-0305(2)(a), (b) or (c)) is used, under no circumstances shall the compensation owed be less than the base minimum rate, set forth in OAR 141-082-0305(6). Notwithstanding subsection (2)(a), the PALP will be at least the greater of:~~

~~(4) For many use classifications, an applicant has the option of choosing among the above three methods to determine the compensation owed for their use of state-owned submerged and submersible land. Under the circumstances identified in OAR 141-082-0305(7), the Department shall choose the method to be used to determine the compensation owed to the Department for a use of state-owned submerged and submersible land.~~

~~(5) Once an applicant or the Department has selected a method of determining compensation, that method shall remain in effect for the entire term of the lease unless there is a change in the use.~~

~~(6) The base minimum annual compensation for any lease shall be the greater of:~~

~~(a) \$0.0085 per square foot times the lease area or four hundred and six dollars (\$406) which is rate in effect in July 2017. The base minimum annual compensation rates shall be increased by three percent each year on July 1st;~~

~~or The minimum competitive bid set by the department pursuant to ORS 274.040 and OAR 141-082-0281(2); or~~

~~(i) The applicable minimum amount set forth below based on the commencement date of the term of the lease:~~

~~(I) July 1, 2027, through June 30, 2031: \$1,200~~

~~(II) July 1, 2031, through June 30, 2036: \$1,400~~

~~(III) July 1, 2036, through June 30, 2041: \$1,600~~

~~(c) Notwithstanding subsection 2(a), the PALP will not exceed \$150,000.~~

~~(b) The annual compensation resulting from a competitive the bid award.~~

~~(7) In the event the lessee and the Department cannot agree on the method of calculating the annual compensation or any aspect of the method to be used, the annual compensation owed by the lessee shall be PALP will escalate by three percent on every lease anniversary determined by t. The Ddepartment using the flat rate method which shall remain in effect until such time as the a new rate is implemented at the next lease anniversary date. If, during the term of shall notify lessees in writing of the escalated PALP under their lease, the lessee and the Department reach agreement on the method of compensation, the new lease rate shall be implemented on the next lease anniversary date.~~

~~(8) The annual compensation for individual non-commercial docks, boat houses, and floating recreational cabins not eligible for registration and that are not contained within marinas or moorages shall be calculated based on the area encompassed by the perimeter at least 60 calendar days before each lease anniversary date.~~

~~(e) Except for leases subject to the restrictions listed in ORS 90.324 or ORS 90.600, the PALP for a renewing lease will not exceed 15 percent of the structures, excluding gangways, protective booms, pilings, and dolphins most recent escalated PALP under the lease.~~

~~(93) The following eight use classifications and related lease compensation formulas described in OAR 141-082-0305(9)(a) through (h) shall be used to establish annual lease compensation payments or minimum bid, whichever is applicable, subject to the base minimum annual lease compensation payment established in OAR 141-082-0305(6). For the riparian land value method described below, utility, railroad or publicly owned land shall not be used for establishing the assessed or appraised value [AV] unless the assessed value is readily available and reflective of comparable similarly situated tax lots. If not, the assessed or appraised value [AV] of privately owned comparable tax lots shall be substituted. In cases where adjacent land value (ALV) is the value of the adjacent upland property per square foot, based on the square footage of the adjacent upland property and its value as determined by the County Assessor, but excluding, however, the value of any structures or improvements on the adjacent riparian tax lot is less than 100 feet deep, upland property. Notwithstanding the foregoing, if the Department shall assume the adjacent riparian tax lot has a depth of 100 feet and calculate determines that the assessed or appraised value [AV] based on this derived area.~~

~~Formula Factors:~~

~~AV – Assessed value or appraised value (as defined in OAR 141-082-0255(8) and (10) of these rules) whichever is less except as stated in OAR 141-082-0305(14) and (15).~~

~~LA – Authorized lease area in square feet of state-owned submerged and submersible land.~~

~~AC – Annual compensatory payment.~~

~~Uses and Compensation Determination Methodologies:~~

~~(a) Commercial marinas and docks, and commercial floating home moorages. The annual lease compensation payment calculation is the lesser of the:~~

~~(A) Flat rate method of \$0.0298 per square foot (which shall increase each year on July 1st by three percent) x LA; or~~
~~(B) Three percent of actual annual gross income; or~~

~~(C) Riparian land value method of AV x LA x five percent = AC.~~

~~(b4) Non-commercial marinas and docks. The annual lease compensation payment calculation is the lesser of the:~~

~~(A) Flat rate method of \$0.0298 per square foot (which shall increase each year on July 1st by three percent) x LA; or~~
~~(B) Riparian land value method of AV x LA x five percent = AC.~~

~~(c) Non-commercial floating home moorages including those operated by ownership-oriented organizations. The annual lease compensation calculation is the lesser of the:~~

~~The "use rate" is a percentage, no lower than 3 percent and no higher than 8 percent, determined by the department as follows:~~

~~(Aa) Flat rate method of \$0.0298 per square foot (which shall increase each year on July 1st by three percent) x LA; or~~

~~(B) Riparian land value method of AV x LA x five percent = AC.~~

~~(d) Individual floating homes and similar structures and uses. The annual lease compensation calculation is the lesser of the:~~

~~(A) Flat rate method of \$0.0298 per square foot (which shall increase each year on July 1st by three percent) x LA; or~~
~~(B) Riparian land value method of AV x LA x five percent = AC.~~

~~(e) Historical vessels or structures not eligible for registration. The annual lease compensation is \$348 (which shall increase each year on July 1st by three percent) per structure or combination of structures at a single location~~

~~or The department shall assign a use rate for a parcel based on the following use classifications:~~

~~(A) Noncommercial use;~~

~~(B) Personal recreational use;~~

~~(C) Commercial use;~~

~~(D) Aquaculture facilities;~~

~~(E) Log boom areas, log raft storage areas. The annual lease compensation calculation is the lesser of the: Historic vessel or structure;~~

~~(A) Flat rate method of \$0.0148 per square foot (which shall increase each year on July 1st by three percent) x LA; or~~
~~Log raft and log storage;~~

~~(B) Riparian land value method of AV x LA x five percent = AC.~~

~~(G) Marinas;~~

~~(H) Marine industrial and marine service commercial uses/structures. The annual compensation payment calculation is the lesser of the:~~

~~(I) Nonmarine use; and~~

~~(A) Flat rate method of \$0.5109 per square foot (which shall increase each year on July 1st by three percent) x LA; Other use classifications as determined by the director;~~

~~(B) Riparian land value method of AV x LA x five percent = AC.~~

~~(h) Non-Marine Uses. The annual compensation payment calculation is the lesser of the:~~

(A) Flat rate method of \$0.5967 per square foot (which shall increase each year on July 1st by three percent) x LA; or¶

(B) Riparian land value method of AV x LA x five percent = AC.¶

(10) The above described flat rate method factors (OAR 141-082-0305(9) After initially determining the use rate for a parcel pursuant to subsection (4)(a), through (h)) are those in effect in July 2017. Each flat rate method factor shall be department may increased by three percent every year on July 1st. Annual lease compensation shall be billed on the basis of the adjustments described in OAR 141-082-0305(9). For any newly executed lease the use rate up to one half of 1 percent, or decrease; the applicable flat rate that shall be applied is that which is in effect at the time of the execution of the lease. The annual compensatory payment for executed leases shall also be adjusted/redetermined annually on each lease anniversary date by increasing the annual lease compensation payment by three percent. This annual compensatory payment adjustment/redetermination for executed leases shall not apply to those calculated based on actual annual gross income.¶

(11) Compensation rates for each use within each authorized area shall be calculated by the Department on a square-foot basis of state-owned submerged and submersible land as applicable for each use classification (for example, non-commercial marina), and based on the lessee's choice of rate calculation methods except as noted in OAR 141-082-0305(7) above. More than one use (known as a mixed use) may be permitted by the Department within an authorized area. Compensation rates shall be calculated for each use area based on the most applicable use classification, as specified in OAR 141-082-0305(9)(a) through (h), and added together to derive the total annual compensation payment or minimum bid for the entire leasehold. Compensation for each use classification is subject to the base annual minimum compensation as specified in OAR 141-082-0305(6).¶

(12) Documentation supporting the annual reporting statement submitted use rate by up to three quarters of 1 percent, based on any of the following considerations:¶

(A) The Lessee's or applicant's participation in programs that benefit the health and safety of waterways, such as the State Marine Board's Clean Marina Program;¶

(B) The lessee or applicant will provide free or minimal-cost public access to the parcel;¶

(C) The type of waterway designation, or other appropriate classification, that applies to the Department by a lessee must be available upon request by the Department if the lessee reports annual compensation based on three percent of actual annual gross income; or¶

(D) Other methods or information determined by the department.¶

(13) The Department shall notify lessees in writing of the new annual compensatory payment not less than 60 calendar days in advance of the lessee's lease anniversary date.¶

(14) In calculating the initial annual compensatory payment using the riparian land value method, a lessee or lease applicants may substitute an appraised value of the adjacent riparian tax lot or as determined by the Department, a comparable tax lot. The Department reserves the right to evaluate, review, and challenge the appraisal. If required, the appraisal shall be conducted at the lessee or lease applicant's expense and prepared by a state-certified appraiser. The Department shall provide in cel area is the area of the parcel, in square feet. Notwithstanding the foregoing, for parcels with individual noncommercial docks, boathouses, or floating recreational cabins that are not eligible for registration to the appraiser prior to conducting the appraisal. In the event of a dispute between the Department and the lessee or lease applicant, the value shall be determined through the three appraiser method specified in ORS 274.929(3).¶

(15) If in the process of using the riparian land value method for calculating the initial annual compensation payment, the AV is found to be artificially depressed due to the presence of hazardous materials or some other extenuating circumstance(s) as determined by the Department, another comparable upland tax lot shall be selected by the Department as the basis for calculating the initial annual lease compensatory payment and that are not contained within marinas or moorages, the use rate will be based on the footprint of such structure, excluding gangways, protective booms, pilings or dolphins.¶

(16) The Director reserves the right to establish a rate of compensation due to department shall publish on the Department for all other structures and uses that do not fit into any of the above categories, or which are unique. However, the rate of compensation shall not be less than the base minimum annual compensatory payment as defined by OAR 141-082-0305(6)'s website the formulas and rates relating to this section.

NOTICE FILED DATE: 06/30/2025

RULE SUMMARY: This rule is being adopted to create a new rule that would list and outline all the application fees charged under OAR 141-082. Application fees were increased from previous levels to account for inflation and new application fees were established to address situations where the Department incurs additional costs when processing applications or managing authorizations. In addition, a new fee charged annual to all lessees was established to add funds to the Submerged Lands Enhancement Fund.

CHANGES TO RULE:

141-082-0306

Application and Other Fees

(1) Persons submitting applications for new, proposed, or existing uses of state-owned submerged and submersible land, renewals of existing authorizations, requests for assignments, subleases, amendments, or bank consent agreements shall pay a fee set by the department. The department shall publish all fees and make any fee schedule maintained available to the public.¶

(2) A new application fee for a new lease or public facility license, whether for a new, proposed, or existing use shall be \$1,000 effective July 1, 2027.¶

(3) A renewal application fee to renew an existing lease or public facility license shall be \$500 effective July 1, 2027.¶

(4) An amendment application fee to amend an existing lease or public facility license shall be \$500 effective July 1, 2027.¶

(5) An assignment application fee to assign an existing lease or public facility license shall be \$1,000 effective July 1, 2027.¶

(6) A bank consent agreement application fee for a bank consent agreement for an existing lease or public facility license shall be \$500 effective July 1, 2027.¶

(7) A sublease application fee to sublease an existing waterway lease shall be \$1,000 effective July 1, 2027.¶

(8) In addition to the fees listed in sections (2) through (7) and effective July 1, 2027, the department may charge an additional \$500 fee when:¶

(a) A lease expires, and enters holdover status;¶

(b) A holder requests a change to any authorization document, which requires Department of Justice consultation or legal sufficiency review, pursuant to ORS 291.047 or 291.049, before execution;¶

(c) A renewal application is received less than 30 calendar days before the lease expiration date; ¶

(9) Effective July 1, 2027, all leases issued under these rules are subject to an annual submerged lands enhancement fee of \$100 to be deposited into SLEF, as set forth in OAR 141-082-0311 below.¶

(10) Beginning July 1, 2028, the director may increase all fees annually by no more than 5 percent, except for the fees described in sections (8) and (9). The director may consider any available Consumer Price Index as published by the US Bureau of Labor Statistics, and any other relevant factors when determining the fee increase.

Removal of Unauthorized Structures ¶

(1) The ~~D~~department is authorized to seize a structure on, under, or over ~~state-owned~~ submerged ~~or and~~ submersible lands; if:¶

(a) The ~~D~~department determines, after providing notice and opportunity for a hearing, that the structure is an abandoned structure or a derelict structure; and¶

(b) The owner of the structure has failed to correct the problems identified in the notice within 20 calendar days or a longer reasonable time as specified in the notice or within any additional time that may be granted by the department.¶

(2)~~(a)~~ The notice required under ~~subsection (1) of this section must be~~ must:¶

~~(a)~~ Be delivered by certified mail, return receipt requested, to any person with an interest in the structure or the land upon which the structure is located, as determined by the ~~D~~department after diligent investigation. "Diligent investigation" shall include the following:¶

(A) A search of the county real property records to identify the record owner of the submerged ~~or and~~ submersible lands where the structure is located, and the record owner of the adjacent upland.¶

(B) Additional investigation warranted by the circumstances.¶

~~(b)~~ ~~The notice required under subsection (1) of this section must:~~¶

~~(A)~~ Be delivered to the record owner of the submerged or submersible lands where the structure is located, if the record owner is not the State of Oregon.¶

~~(B)~~ Be delivered to the record owner of the adjacent upland.¶

~~(C)~~ Identify, with specificity, the ~~D~~department's proprietary interest in and jurisdiction over the ~~state-owned~~ submerged ~~or and~~ submersible lands where the structure is located. If the record owner of the submerged ~~or and~~ submersible lands is not the State of Oregon, identify the ~~D~~department's basis for asserting ~~S~~state ownership of the submerged ~~or and~~ submersible lands, and state that the recipient has the right to contest the ~~S~~state's claim of ownership.¶

(3) The ~~D~~department shall contact the property owner(s) who own riparian land ~~that is adjacent to where the abandoned or the upland land owner~~ derelict structure is located identified in section 2(c).¶

(4) Any person with an interest in the structure ~~must~~ shall, within 20 calendar days of service of the notice, either:¶

(a) Provide written notice to the ~~D~~department of their intent to either obtain an authorization or remove the structure; or,¶

(b) Request a hearing. The notice request must be on a form provided submitted by to the ~~D~~department in writing.¶

(5) If a person with an interest in the structure wants to obtain an authorization from the ~~D~~department, the owner of the structure ~~must~~ shall submit a complete application within 30- calendar days of service of the notice.¶

(a) Submission of an application under this section does not ensure that an authorization would be issued.¶

(b) If an application is submitted, the ~~D~~department may not seize the structure while the application is under review.¶

(6) If a person with an interest wishes to remove the structure, that person ~~must~~ shall do so within 90 calendar days of notice, or as otherwise agreed to by the ~~D~~department.¶

(7) If a person with an interest in the structure wants to challenge the actions proposed in the notice, the person may request a hearing.¶

(a) The hearing request must be received by the ~~D~~department within 210 calendar days of service of the notice.¶

(b) The request must indicate if the person contends that the structure is not an abandoned structure or derelict; structure or indicate such other specific grounds on which seizure is challenged.¶

(c) Upon receipt of a request for a hearing, the ~~D~~department shall suspend further action to seize the structure until the ~~D~~director issues the ~~D~~department's Final Order.¶

(8) Upon receipt of a request for a hearing, the ~~D~~department shall process the hearing request as follows:¶

(a) The ~~D~~department shall refer the matter to the Office of Administrative Hearings for a contested case hearing.¶

(b) The Administrative Law Judge shall issue a proposed order, making a recommendation for the ~~D~~department's Final Order.¶

(9) After the hearing:¶

(a) The ~~D~~director shall issue a ~~F~~final ~~O~~order, which is an order in a contested case and is subject to review under ORS 183.482.¶

(b) If the ~~D~~department determines after a hearing that seizure of the structure is not warranted under the law, the ~~D~~department shall immediately release custody of the structure to the owner who requested the hearing and may not charge the owner any costs incurred by the ~~D~~department in removal, salvage, storage, or disposal of the structure.¶

(c) If the ~~D~~department determines after a hearing that seizure of the structure is warranted, the ~~D~~department may seize the structure and remove, salvage, ~~store~~, or dispose of it, as the ~~D~~department deems appropriate.¶

(d) The ~~D~~department shall mail a written statement of the ~~D~~department's ~~F~~final ~~O~~order to all persons who requested a hearing under this section.¶

(10) ~~¶The department may remove, salvage, store, or dispose of any structure seized under this section, if the owner fails to either:¶~~

(a) Investigate and prosecute trespasses on and damage to state-~~owned submerged and submersible lands~~ under ORS 273.185; or¶

(b) Immediately seize without notice, a structure that presents a hazard to navigation or an imminent threat to public health or safety.¶

(12) If the ~~D~~department seizes a structure without notice under this subsection and the ~~D~~department decides to ~~salvage~~~~remove, salvage, store,~~ or dispose of the structure, the ~~D~~department shall provide notice as provided for in ~~OAR 141-082-0310~~section (2).¶

(13) The owner of an abandoned or derelict structure is liable to the ~~D~~department for all costs arising out of removal, salvage, storage, and disposal of a structure seized under this rule. However, an owner of a structure whose only interest in the structure is a security interest is not liable for costs arising out of the removal, salvage, storage, or disposal of a structure under these rules. Any order imposing liability for the costs is an order other than a contested case and is subject to review under ORS 183.484.¶

(14) If the ~~D~~department sells a structure seized under this rule, the liability imposed upon the owner shall be reduced by the net proceeds of the sale.¶

(15) For removal or seizure of abandoned and derelict vessels, the ~~D~~department shall follow the process outlined in ORS 830.908 through 830.944.

NOTICE FILED DATE: 06/30/2025

RULE SUMMARY: This rule was amended to remove redundant information, to simplify language, and to clarify that the Department can record an order imposing a civil penalty, with the local county clerk, as allowed by law.

CHANGES TO RULE:

141-082-0315
Civil Penalties ¶

- (1) The unauthorized use of state-owned ~~land managed by the Department~~ submerged and submersible lands constitutes a trespass.¶
- (2) In addition to any other penalty or sanction provided by law, the ~~D~~director may assess a civil penalty ~~of not less than \$50 per day, and not more than~~ between \$50 and \$1,000 per calendar day of violation of any provision of these rules or ORS 274 that occurs on state-owned submerged and submersible lands pursuant to ORS 274.992.¶
- (3) The ~~D~~director shall give written notice of a civil penalty incurred under ~~OAR 141-082-0315~~ section (2) by registered or certified mail to the person incurring the penalty. The notice shall include, but not be limited to the following:¶
- (a) The particular section of the statute, rule, or written authorization involved;¶
 - (b) A short and clear statement of the matter asserted or charged;¶
 - (c) A statement of the ~~party~~ person's right to request a hearing within 20 calendar days of the date of service of the notice;¶
 - (d) The time allowed to correct a violation; and¶
 - (e) A statement of the amount of civil penalty which may be assessed and terms and conditions of payment if the violation is not corrected within the time period stated.¶
- (4) The person incurring the penalty may request a hearing within 20 calendar days of the date of service of the notice provided in ~~OAR 141-082-0315~~ section (3). Such a request must be in writing. If no written request for a hearing is made within the time allowed, or if the ~~party~~ person requesting a hearing fails to appear, the ~~D~~director may make a final order by default imposing the penalty.¶
- ~~(5) The amount of a civil penalty shall not be less than \$50 per day, or more than \$1,000 per day for violation of an authorization issued under ORS 274.992 or violation of any administrative rule adopted under ORS 274.¶~~
- ~~(6)~~ In imposing a penalty under OAR 141-082-0315 ~~of these rules~~, the ~~D~~director shall consider the following factors as specified in ORS 274.994:¶
- (a) The past history of the person incurring a penalty with regard to other trespasses on state-owned ~~land~~ submerged ~~managed by the Department~~ submersible lands and the willingness of the person to take all feasible steps or procedures necessary or appropriate to correct any violation;¶
 - (b) Any prior violations of statutes, rules, orders, and authorizations pertaining to submerged and submersible lands;¶
 - (c) The impact of the violation on public trust uses ~~of commerce, navigation, fishing and recreation~~; and¶
 - (d) Any other factors determined by the ~~D~~director to be relevant and consistent with the policy of these rules.¶
- ~~(7)~~ Pursuant to ORS 183.745(2), a civil penalty imposed under OAR 141-082-0315 shall become due and payable 10 calendar days after the order imposing the civil penalty becomes final by operation of law or on appeal.¶
- ~~(8)~~ If a civil penalty is not paid as required by ~~OAR 141-082-0315~~ section (6), interest shall accrue at the maximum rate allowed by law. In addition, the department may record the order imposing the civil penalty with the county clerk in any county of this state. The department shall request that the clerk record the name of the person incurring the penalty and the amount of the penalty in the County Clerk Lien Record to be a lien upon the person's real property in that county.

Appeals: Contested Case Hearings

(1) Appeals

(a) An applicant for an authorization, or any other person adversely affected by a decision by the Department concerning an authorization, or the closure of, or restriction on the use of state-owned submerged and submersible land may appeal the decision to the Director.

(a) Such an appeal must be received by the Director no later than 30 calendar days after the delivery of the decision.

(b) The Director shall decide the appeal within 60 calendar days after the date of delivery of the appeal.

(c) The Director may affirm the decision, issue a new or modified decision, or request the appellant to submit additional information to support the appeal.

(2) ~~When an applicant for an authorization to~~ A person qualifies as being adversely affected by a decision by the department concerning an authorization, or the closure of or restriction on the use of state-owned submerged and submersible land ~~or any other person adversely affected by a decision of the Department concerning an authorization has exhausted the appeal process before the Director, s/he may submit an appeal if:~~

(i) They are the owner(s) of, or otherwise have a property interest in, the upland property adjacent to, on, or overlapping with the premises of the authorized use, closure, or restriction;

(ii) They are the holder of an authorization issued under these or other rules administered by the department that is adjacent to, on, or overlapping with or the premises of the authorized use, closure, or restriction;

(iii) They are materially affected by the decision; or

(iv) The decision unreasonably interferes with the person's public trust rights.

(b) The department shall publish on the department's website a notice of decision concerning an authorization, or the closure of or restriction on the use of state-owned submerged and submersible land. Unless served personally or by certified mail, this publication is intended to serve notice to any person who may claim to be adversely affected by the decision.

(c) In addition to the notice described in section (2), the department shall provide notice by personal service or certified mail, and by regular mail, to:

(A) Applicants;

(B) Persons who own or have a property interest in the adjacent upland property adjacent to, on, or overlapping with the premises of the authorized use, closure, or restriction; and

(C) Holders of department-issued authorizations that are adjacent to, on, or overlapping with the premises of the authorized use, closure, or restriction.

(d) Persons claiming to be adversely affected under subsections 1(d)(C) or 1(d)(D) shall describe in their appeal how the decision materially affects them or unreasonably interferes with their public trust rights. The director shall determine if the person meets the criteria to be considered adversely affected.

(2) Contested Case Hearings

(a) The Department shall provide a contested case hearing:

(A) When a person requests a hearing regarding a civil penalty issued under OAR 141-082-0315; or

(B) When an applicant for an authorization to use state-owned submerged and submersible land or any other person adversely affected by a decision of the department concerning an authorization requests a hearing after exhausting the appeal process before the director pursuant to OAR 141-082-0340.

(b) Requests for a contested case hearing must be submitted pursuant to ORS 183.413 through 183.470.

(c) The department will refer hearing requests to the Office of Administrative Hearings for a contested case hearing. The Administrative Law Judge assigned to the matter will issue a proposed order. Parties shall have 20 calendar days to file exceptions to the proposed order. The director of the department will issue a Final Order after reviewing the record from the hearing, the proposed order, and any exceptions filed.

(d) The department's notice shall become a final order by default if a party:

(A) Fails to request a contested case hearing;

(B) Withdraws a request for a hearing: or ¶

(C) Fails to appear at any hearing scheduled by the Office of Administrative Hearings.¶

(e) When a notice becomes a final order by default, the department designates its file on the matter, including any materials submitted by the aggrieved party as the record for the purpose of proving a prima facie case.

RULE SUMMARY: This rule is being amended to remove reference to OAR 141-082 in order to conform with amendments to that Division. The method of calculation in this rule is not changing, and the flat rate is being updated to reflect what the current rate will be effective on July 1, 2027.

CHANGES TO RULE:

141-145-0060
Compensation ¶

(1) The compensation for an authorization for remediation necessitated by operations at an orphan site as determined by and under the management of the ODEQ or EPA shall be five hundred (\$500) dollars. If at any point a party is located to perform or pay for the remediation of what had previously been designated an orphan site, that party must compensate the Department for the cost of that use of state-owned land according to these rules.¶

(2) The minimum compensation for any authorization issued under these rules shall be one thousand dollars (\$1,000), with the following exceptions:¶

(a) Authorizations meeting the provisions of OAR 141-145-0060(1), and;¶

(b) Proposed uses determined by the Department to have a "no or minimal impact" in OAR 141-145-0060(4)(a). Uses considered to have a "no or minimal impact" in 141-145-0060(4)(a) require no compensation.¶

(3) Subject to the base minimum compensation established in OAR 141-145-0060(2), the method for calculating compensation due for an authorization issued under these rules shall be determined through the following formula.¶

COMP = AV x LA x SDI¶

NOTE: Formula Explanation¶

AV= Appraised value or assessed value (as defined in OAR 141-145-0005(3) and (4) of these rules) whichever is less except as stated in OAR 141-145-0060(7). AV is expressed as a value per square foot.¶

LA= Authorized use area in square feet of state-owned submerged and submersible land.¶

SDI= Defined in OAR 141-145-0005(32). SDI is expressed as a percentage in this formula.¶

COMP= Compensation due to the Department for the authorization.¶

(a) For access authorizations, compensation due to the Department for the authorization will be a one-time payment determined by the formula COMP = AV x LA x SDI.¶

(b) For easements, compensation due the Department for the authorization will be a one-time payment that is the lesser of:¶

(A) [(AV x LA x SDI)/30] x number of years authorized; or¶

(B) ~~Flat rate method for a non-marine use (as described in Division 82)~~ Effective July 1, 2027, the flat rate of \$0.53047559 per square foot (which x LA x number of years authorized (this flat rate will be increased each year annually on July 1st by three percent) x LA x number of years authorized, and published on the Department's website).¶

(c) For conservation easements, compensation due the Department for the authorization will be a one-time payment equal to AV x LA x 50%.¶

(d) For lease authorizations, annual lease payment calculation is the lesser of the:¶

(A) AV x LA x SDI x 5%; or¶

(B) ~~Flat rate method for a non-marine use (as described in Division 82)~~ Effective July 1, 2027, the flat rate of \$0.53047559 per square foot (which x LA (this flat rate will be increased each year annually on July 1st by three percent) x LA and published on the Department's website).¶

(4) The Site Diminishment Impact percentage for an access authorization is calculated by the Department as follows:¶

(a) A proposed use is considered to have a "no or minimal impact" and an SDI of 0% if the Department determines:¶

(A) The proposed use would not impose any public trust use restrictions that last more than ~~fourteen (14)~~ consecutive days per calendar year, and¶

(B) The proposed use would not limit or constrain the Department in issuing other waterway authorizations administered under Division 82.¶

(b) A proposed use is considered to have a "moderate impact" and an SDI of 3.5% if the Department determines:¶

(A) The proposed use would impose one public trust use restriction that lasts more than ~~fourteen (14)~~ consecutive days, or¶

(B) The proposed use would limit or constrain the Department in issuing other waterway authorizations

administered under Division 82.¶

(c) A proposed use is considered to have a "significant impact" and an SDI of 7% if the Department determines:¶

(A) The proposed use would impose more than one public trust use restrictions that last more than ~~fourteen (14)~~ consecutive days, or;¶

(B) The proposed use would preclude the Department from issuing any other waterway authorizations administered under division 82.¶

(5) The Site Diminishment Impact for an easement or lease is calculated by the Department as follows:¶

(a) A proposed use is considered to have "no or minimal impact" and an SDI of 1% if the Department determines that:¶

(A) The proposed use would not impose any public trust use restrictions that last more than ~~fourteen (14)~~ consecutive days per calendar year, and;¶

(B) The proposed use would not limit or constrain the Department in issuing other waterway authorizations administered under Division 82.¶

(b) A proposed use is considered to have a "moderate impact" and an SDI of 50% if the Department determines that:¶

(A) The proposed use would impose one public trust use restriction that lasts more than ~~fourteen (14)~~ consecutive days, or;¶

(B) The proposed use would limit or constrain the Department in issuing other waterway authorizations administered under division 82.¶

(c) An easement or lease is considered to have a "significant impact" and an SDI of 100% if the Department determines that:¶

(A) The proposed use would impose more than one public trust use restrictions that last more than ~~fourteen (14)~~ consecutive days, or;¶

(B) The proposed use would preclude the Department from issuing any other waterway authorizations administered under division 82.¶

(6) In calculating compensation under these rules, applicants may substitute an appraised value of the adjacent riparian tax lot or as determined by the Department, a comparable tax lot in place of the assessed value. The Department reserves the right to evaluate, review, and challenge the appraisal. The appraisal shall be conducted at the applicant's expense. If the appraisal is used by the Department to calculate the compensation, the Department will credit one-half of the cost of the appraisal to the applicant's compensation. In the event of a dispute between the Department and the applicant, the value shall be determined through the three-appraiser method specified in ORS 274.929(3).¶

(7) If in the process of calculating compensation, the AV is found to be depressed due to the presence of hazardous substances or some other extenuating circumstance(s) as determined by the Department, another comparable upland tax lot shall be selected by the Department as the basis for calculating the compensation. The applicant may suggest a comparable tax lot or may appeal the Department's selection as allowed in OAR 141-145-0090.
