Business seminar to explain unclaimed property reporting

Free training features step-by-step instructions for filing

Medford – Area businesses and organizations are invited to learn more about reporting unclaimed property to the state at a half-day seminar scheduled in Medford.

Unclaimed property is lost financial assets such as uncashed payroll checks and abandoned financial accounts that a business or organization holds for an unreachable party.

The session is free, but preregistration is required.

The seminar will be held:

June 25

8:30 am – Noon

Jackson County Community Justice

2nd Floor Conference Room

1101 W. Main St., Medford

New reporting tools and information will be shared with seminar attendees this year.

Get more information and register online: <http://www.oregon.gov/dsl/UP/Pages/index.aspx>, or call seminar coordinator Carolyn Harris: 503-986-5290.

State law requires all businesses and organizations to remit unclaimed property to the Department of State Lands, which houses the state's unclaimed property program. All unclaimed funds are held in trust forever for the rightful owner in the Common School Fund, a trust fund whose earnings are sent twice yearly to Oregon's 197 public school districts.
