Dear Interested Party,

We are reaching out to inform you the following parcels of state-owned filled land at West Hayden Island in Multnomah County are being considered for final ownership determination and potential land exchange:

Shemia Fagan  
Secretary of State

Township 2 North, Range 1 East, Section 19, Tax Lot 200; Township 2 North, Range 1 East, Section 28, Tax Lot 200; Township 2 North, Range 1 East, Section 29, Tax Lot 100; Township 2 North, Range 1 East, Section 30, Tax Lot 100; and Township 2 North, Range 1 West, Section 24, Tax Lot 100.

Tobias Read  
State Treasurer

The agency transaction number for this exchange is 55904-LE.

You may provide public comment on the proposed exchange by December 24, 2021. For current information and to submit a comment, please visit the Oregon Department of State Lands webpage at: <https://www.oregon.gov/dsl/Land/Pages/Sales.aspx>.

On October 12, 2021, the Oregon State Land Board directed its administrative agency, the Oregon Department of State Lands to examine the potential future exchange of the property. The property under consideration is classified as Historically Filled Land, formerly submerged land that was newly created with fill before 1963.

In addition to public comment, numerous studies will be undertaken such as ownership determination, survey, archaeological impacts and appraisal.

Once the public comment period has ended and reports from the studies have been received, the Department will make a recommendation to the State Land Board on whether to exchange the land. The State Land Board, composed of the Governor, Secretary of State and the State Treasurer, will then decide to exchange the land or not.
