Notice of Proposed Action
(Post-seizure Notice)

And Opportunity for a Hearing

Pursuant to the Abandoned or Derelict vessel statutes in ORS 830.908 to 830.948 and 274.366, the Department of State Lands (hereinafter the Department) proposes to seize the abandoned or derelict vessel referenced in this notice, based on violation of the applicable provisions of OAR 141-082-0255 and 141-082-0260 and ORS 830.908 through 830.948 as more particularly set forth below. In support of the proposed action, the Department asserts as follows:

I. AUTHORITIES

The State is the owner of certain submerged and submersible lands in this state, including those in the Coquille River in Coos County (Oregon Admission Act, 11 Stat. 383 (1859); ORS 274.025; and ORS 274.710). The State delegated authority to the Department for the management of these submerged and submersible State lands (ORS 274.040 and ORS 274.710).

The Department rules provide that no person shall place a vessel on or make use of state-owned submerged and/ or submersible land without the required authorization described OAR 141-082-0265 and defined in OAR 141-082-0255 unless the use is exempt from such authorization by law or these rules (ORS 274.040, OAR 141-082-0265, and OAR 141-082-0260(4)).

Unauthorized use of state-owned land constitutes a trespass (OAR 141-082- 0315(1)). The Director of the Department is required to investigate and prosecute all trespasses on state lands (ORS 273.185).

The Legislature has authorized enforcement agencies to investigate and seize vessels that are abandoned or derelict (ORS 830.908 to 830.948). The Department is an enforcement agency authorized to enforce the Abandoned and Derelict Vessel laws (ORS 830.908(4) and 274.366), including seizing abandoned or derelict vessels. The Department's address and telephone number are:

Department of State Lands

Salem, OR 97301

An enforcement agency may seize a vessel if the agency has probable cause to believe that the vessel is abandoned or derelict, and the owner fails to correct the issues identified in the agency's notice (ORS 830.911). In some situations, an enforcement agency may immediately seize the vessel, board the vessel, or take other actions as authorized by ORS 830.911.

At any time before the date specified in this Notice, the owner may immediately reclaim a seized vessel by (a) Paying all costs incurred by the enforcement agency in salvaging, towing and storing the vessel; and (b) Establishing to the satisfaction of the enforcement agency that the owner is able to move the vessel to a place where the vessel can be lawfully kept (ORS 830.933).

If a vessel is seized and not reclaimed in the manner provided by this Notice, title to the vessel and all personal property found in the vessel vests in the enforcement agency, and the enforcement agency may sell or otherwise dispose of the vessel and the property (ORS 830.933(2)).

The owner has a right to a hearing. If a hearing is requested, the hearing must be held within seven business days of the request. Statute sets out further requirements for the hearing (ORS 830.936).

A request for a hearing after a seizure must be in writing and submitted to the enforcement agency no more than 10 business days after the notice is given. The request must include a statement of the specific grounds on which the seizure is challenged, and whether the owner challenges the reasonableness of any salvage, towing or storage costs incurred by the enforcement agency (ORS 830.931(4)). If the owner requests a pre-seizure hearing under ORS 830.918(5), the owner may request a post-seizure hearing only for the purpose of challenging the reasonableness of any salvage, towing or storage costs incurred by the enforcement agency (ORS 830.931(5)).

If the owner requests a hearing but fails to appear at the hearing, the enforcement agency will proceed with the proposed action and the owner may be precluded from any further hearings on the matter (ORS 830.936).

Not less than 30 days after seizing a vessel, the enforcement agency may sell or destroy the vessel. The owner of a vessel shall be responsible for all costs arising out of salvage, towing, storage, and disposal of the seized vessel (ORS 830.938).

A vessel owner who fails to comply with a notice issued under ORS 830.918 or an order issued under ORS 830.936 may be found guilty of the offense of failure to remove an abandoned vessel or possession of a derelict vessel, both Class A violations (ORS 830.944 and ORS 830.990(9)).

II. FACTUAL ALLEGATIONS

1. The vessel OR 939 DT is a 19 foot 3 inch cabin cruiser manufactured in 1969 by Pipestone. ("Vessel")
2. The vessel is occupied by Sean Harvat who identifies as the owner. Sean Harvat was in possession of the vessel when contacted by Coos County Sheriff's Office.
3. Oregon State Marine Board shows the owner to be Anthony and Kelly Walton when the vessel was last registered in 2011 with no record of sale.
4. The vessel is tied to the shore near the town of Riverton, OR on the Coquille River (43.15706, -124.27580) and has been there since at least February 20, 2025.
5. Anthony Walton does not have authorization from the Department to leave vessel on state-owned submerged and/or submersible land.
6. Anthony Walton does not have permission from the upland property owner to access the vessel by land.
7. Sean Harvat was contacted by Coos County Sheriff's Office on April 9, 2025 and told that he could not moor the vessel at the same location for more than 30 days or the vessel would be in trespass and considered abandoned.

III. CONCLUSIONS OF LAW

Based on the foregoing and pursuant to the authority cited above, the Department will be authorized to seize the Vessel as abandoned and derelict, pursuant to ORS 830.911 after:

May 2, 2025 at 5:00pm

The Department will not seize the vessel if Anthony Walton takes one of the following actions prior to May 2, 2025:

- Removes the vessel from the state-owned waterway.
- Moves the vessel to an authorized location.

If Anthony Walton takes one of the actions listed above, but then the vessel returns to a

state-owned waterway without authorization, this vessel will again be unauthorized and declared abandoned, and the Department may proceed directly to seizure of the vessel, without further Notice.

Anthony Walton is identified as the owner of Vessel as defined in ORS 830.908 and therefore shall be liable to the Department for costs arising out of salvage, towing, storage, and disposal of Vessel, pursuant to ORS 830.938, which we estimate could approach **\$12,000**. If the Department's costs exceed this amount, the Department shall provide the owner with an updated notice of the Department's costs.

IV. RIGHT TO HEARING

An owner who is provided pre-seizure notice has a right to a hearing on the pre-seizure notice. A request for a hearing must be in writing and submitted to the Department no more than 10 business days after the pre-seizure notice is given. A request for a hearing must be submitted before **May 2, 2025 at 5:00PM**. An owner may mail a request for a hearing to:

Department of State Lands
775 Summer Street NE, Suite 100
Salem, OR 97301
503-986-5200
dsl.waterways@dsl.oregon.gov

The request must include a statement of the specific grounds on which the seizure is challenged, and whether the owner challenges the reasonableness of any salvage, towing, or storage costs incurred by the Department (ORS 830.931(4)). If an owner requested a pre-seizure hearing under ORS 830.918(5), that owner may request a post-seizure hearing only for the purpose of challenging the reasonableness of any salvage, towing or storage costs incurred by the Department (ORS 830.931(5)).

If an owner submits a timely request for a hearing, the Department must set a time for the hearing that is no more than seven business days after receiving the hearing request. The Department will notify the owner of the time and the place of the hearing. The owner will also be given information on the procedures, right of representation, and other rights of parties relating to the conduct of the hearing before commencement of the hearing. If the owner's request for a hearing is not received by the Department within 10 business days or if the request otherwise fails to comply with the requirements of ORS 830.936, ORS 830.918, and ORS 830.931, then the owner's right to a hearing shall be considered waived.

V. FINAL ORDER BY DEFAULT

If a request for a hearing is not submitted within 10 business days of the notice, or if an owner requests a hearing and then either withdraws the hearing request or fails to appear at a scheduled hearing, and does not otherwise reclaim and move the Vessel, this Notice becomes a final order by default, and the title to the Vessel and

personal property will vest in the Department. The owner of the Vessel will be responsible for all costs arising out of salvage, towing, storage, and disposal of the Vessel. If this Notice becomes a final order by default, the Department designates its file on this matter, including any materials submitted by an owner that relate to this matter, as the record for purposes of proving a prima facie case.
