## **PROCEDURE**

<b><u>RESPONSIBILITY</u></b>	<b><u>STEP</u></b>	<b><u>ACTION</u></b>
State CIO	1	Determine changes to the covered vendor list.
EIS - Cyber Security Services (CSS)	2	Update the covered vendor list.
	3	Communicate covered vendor list changes to agencies and partners, and post the list on the Enterprise Information Services Covered Vendors page <a href="#">Enterprise Information Services: Covered Vendors</a> .
Agencies	4	Determine whether covered vendor(s)/product(s) are used, accessed, downloaded, or installed by the agency's information technology assets, using methods such as asset inventory review and querying in collaboration with CSS, and proceed with either Step 4a or 4b.
	4a	<p><u>Absent a law enforcement/investigatory need, agency:</u></p> <p>Within 30 days, removes all covered vendor products and implements measures to prevent their use as prescribed in Policy 107-004-155.</p> <p>Go to Step 5.</p>
Agency IT Leadership	4b	<p><u>With an identified law enforcement and/or investigatory need, agency:</u></p> <p>Within 30 days, discloses justification to CSS via email to <a href="mailto:das_dl_oscio_css_risk_management_team@das.oregon.gov">das_dl_oscio_css_risk_management_team@das.oregon.gov</a>.</p> <p>(CSS will track the justification in the enterprise risk register for current and future assessments.)</p> <p>Go to Step 6</p>
Agency IT Leadership	5	<p>Agency confirms compliance with Policy 107-004-155 Section 2 with CSS assessment team via email to <a href="mailto:das_dl_oscio_css_risk_management_team@das.oregon.gov">das_dl_oscio_css_risk_management_team@das.oregon.gov</a>.</p> <p>(CSS will track the compliance in the enterprise risk register for current and future assessments.)</p>
Agencies	6	Within 120 days, agency incorporates Policy 107-004-155 into the agency's Information Technology (IT) security plans and operations.
Agency IT Leadership	7	<p>Agency confirms compliance with Policy 107-004-155 Section 4 with CSS assessment team via email to <a href="mailto:das_dl_oscio_css_risk_management_team@das.oregon.gov">das_dl_oscio_css_risk_management_team@das.oregon.gov</a>.</p> <p>(CSS will track the compliance in the enterprise risk register for current and future assessments.)</p>
CSS and Agencies	8	CSS works with agencies to validate compliance with requirements and includes the results in its assessment report and executive summary for the agency director, policy area Assistant State CIO and CSS leadership.

<b><u>RESPONSIBILITY</u></b>	<b><u>STEP</u></b>	<b><u>ACTION</u></b>
	9	<p>If agency is not in compliance, CSS creates a finding in the enterprise risk register; the agency is notified of non-compliant status; and the State CIO decides on remediation and/or consequence. Return to Step 4.</p> <p>If agency is in compliance, CSS documents status in the enterprise risk register.</p>
CSS	10	CSS monitors for compliance via the enterprise risk register.
