

Monitoring Report

*Timely Processing of Pandemic Unemployment Assistance Initial Claims
Filed after December 26, 2020*

Date of Report: October 12, 2021

Summary:

The Oregon Employment Department has a goal of processing at least 80% of initial claims for Pandemic Unemployment Assistance (PUA) benefits within 21 calendar days of the claim being filed. The Oregon Employment Department was unable to process PUA applications received on or after December 27, 2020 pending guidance from the US Department of Labor regarding backdating claims and the number of allowable weeks to add from the Continued Assistance Act. Guidance was received in late January, 2021 allowing processing procedures and systems to be updated. These applications began being processed on February 12, 2021.

Performance:

The Oregon Employment Department has processed 99.91% of all PUA applications filed between December 27, 2020 and September 30, 2021. The remaining 0.09% of applications are: a duplication (0.07%) which is an instance where an applicant submitted more than one application or the application was placed on hold and requires additional review (0.02%).
