equitable access and opportunities for all. Some factors we consider are:

- ethnicity Culture Income
- Access to or comfort level with technology Gender identity
- Ability to travel Involvement
- with the justice system

 We consult with Consultation programs or are developed. We take tribal Tribal governments'

representatives of Oregon's tribes as policies that might impact the tribes recommendations and feedback as and when it is

possible.

Bias Unconscious ø **Cultural Values** 

 We recognize that cultural values and unconscious biases can impact our work and take conscious steps to avoid negative impacts for our customers. We ensure that we are continuously learning and looking for unconscious bias when working

internally or with customers.

Services

Trauma-Informed

#### We use best practices in trauma-informed services by engaging all customers as if they have experienced trauma. OED employees are also impacted will develop practices when

by trauma and we trauma-informed

working with our staff.

## Equity Framework

This is a guiding document for each program to develop and outline the core elements for engaging with and providing equitable services to historically and currently marginalized communities and underserved populations.

The framework consists of four primary areas:

- Universal Access •
- **Tribal Consultation** •
- **Cultural Values & Unconscious Bias** ۲
- Trauma-Informed Services

# Policies and Procedures

Reviews and creates various agency policies and procedures using an equity framework:

- Reasonable modifications for agency customers
- Reasonable accommodations for agency employees and applicants
- Respecting gender identity and expression
- Criminal records checks
- Language access

### **Interview Panels**

Serve on interview panels to support equity in the hiring process for positions with our agency.

## Bystander Intervention Training

This course teaches employees how to address biased comments, microaggressions, and even harassment.

The course also helps to uphold our agency values, create a safe environment, foster a sense of belonging, and hold ourselves accountable.

#### Empowerment Groups

Employee-led group of members and allies of historically and currently underrepresented communities, or who otherwise experience barriers within the workplace, that foster connection, inclusivity, and community.

Current groups:

- Leaders of Color
- People with Disabilities
- Spanish Language
- Parents, Guardians, and Caregivers

#### 2023-2025 Affirmative Action Plan

#### What's in the plan?

- Employee demographics (recruitment, promotion, retention) and agency contracts with COBID-certified businesses
- Progress made or lost since last biennium
- OED's three new goals for 2023-2025 and associated actions:
  - 1. OED will continue to foster fairness, equity, and inclusion to maintain a workplace environment where everyone is treated with respect and dignity.
  - 2. OED will achieve at least proportionate (8%) representation of people with disabilities at all levels of the agency (as documented through Workday reporting), raise awareness of disability inclusion, reduce stigma related to disability, promote universal accessibility practices, and support reasonable accommodation requests.
  - 3. OED will achieve at least proportionate representation (30%) of managers of color in higher-level supervisory management roles, defined as higher than either a PEM B or Supervisor 1.

#### 2023-2025 Diversity, Equity, and Inclusion Plan
